<b>Notes</b>	Address changed to 584 Phoenix Drive. 60 jobs before, 34 created, 60 retained. Short-term lease tenant conditions affect the year to year annual job reporting for this project. Certain GLDC Building projects provide for a total RPTL for those portions of the bldgs. that are occupied by users that would be exempt from RPT under ?420-A of the NYS Real Property Tax Law. Whenever non ?420-A eligible tenants occupy the space within the bldg, they are subject to the OCIDA PILOT on the building. Due to occasional changes in tenancy from one year to the next, or even throughout the course of the year, this can affect the percentage of the assessment value of the bldg/ that would be normally taxable.

<b>Year Financial Assistance is Planned to End</b>	2028	<b>Project Employment Information</b>		
<b>Notes</b>	The PILOT provides for a total exemption for those portions of the buildings that are occupied by users that would have been exempt from real property taxes under 420-A of the Real Property Tax Law. Certain GLDC Building projects provide for a total RPTL for those portions of the bldgs. that are occupied by users that would be exempt from RPT under 420-A of the NYS Real Property Tax Law. Whenever non 420-A eligible tenants occupy the space within the bldg, they are subject to the OCIDA PILOT on the building. Due to occasional changes in tenancy from one year to the next, or even throughout the course of the year, this can affect the percentage of the assessment value of the bldg/ that would be normally taxable. Short-term lease tenant conditions affect the year to year annual job reporting for this project.

<b>Notes</b>	Standard industrial PILOT on increased building project assessment; sales tax exemption; mortgage recording tax exemption. All reports from 3001-12-Nortek are now reported here. Real property tax value assessment was reduced resulting in reduced exemption amounts and reduced PILOT payments. In addition, the PILOT benefit value continues to decline annually
