Part II: Project Information

5(a) Explain your project in detail. This description should include explanation of all activities which will occur due to this project. Attach additional sheets if necessary.

All Seasonings Ingredients, Inc. is embarking on a collaborative project with real estate investor, OnX Group based out of Florida, to develop a tailored 63,000 sq. ft. warehouse which is anticipated to be fully completed by December 2025. Through this venture, we aim to establish a flexible lease agreement with a monthly lease payment of \$40,000, allowing us to utilize the warehouse for storage of dry goods initially, with future plans to transition it into a small-scale manufacturing facility by 2025. This project encompasses various activities, including site selection, design and construction planning, securing necessary permits, and implementation of specialized storage and manufacturing equipment. Additionally, it involves negotiations with OnX Group regarding lease terms, financial arrangements, and ongoing maintenance agreements. Throughout the project lifecycle, careful coordination and communication among stakeholders will be crucial to ensure seamless execution and alignment with our operational objectives. Ultimately, this initiative will enhance our operational capabilities, enabling us to efficiently manage inventory, streamline production processes, and meet the evolving needs of our customers effectively.

All Seasonings Ingredients will utilize the whole building for storage and later in 2024, production activities. All Seasonings Ingredients intends to remain in Oneida for the large scale operations and have the warehouse in Sherrill for assistance in storage and production.

Reasons for Project

6(a) Please explain in detail why you want to undertake this project.

Warehouse space provides the necessary infrastructure to scale up our operations. As our company grows, we'll need more storage for raw materials and finished products. An additional dedicated warehouse allows us to expand our inventory and production capacity efficiently. Leasing provides flexibility in adjusting to changing business needs. We can easily scale up or down based on market fluctuations, seasonal variations, or specific project requirements without the constraints of ownership. By All Seasonings leasing an additional warehouse we can enhance logistics and distribution efficiency. We can optimize the layout for streamlined workflows, reducing the time and cost associated with material handling and shipping.

6(b) Why are you requesting the involvement of the Agency in your project?

The real estate tax reduction offered by OCLDC can significantly lower the ongoing operational costs associated with owning or leasing warehouse space. This reduction can contribute to improved financial sustainability and competitiveness. Additionally, taking advantage of financial incentives and tax reductions provided by OCLDC can enhance our company's competitiveness in the market. It allows us to allocate resources more efficiently and potentially offer more competitive pricing. All Seasonings Ingredients would not be able to facilitate this expansion but for assistance of the Oneida County IDA due to the large capital output requirement from All Seasonings Ingredients.

6(c) Please confirm by checking the box below, if there is the likelihood that the Project would not be undertaken **BUT FOR** the Financial Assistance provided by the Agency.

Yes No

If the Project could be undertaken without Financial Assistance provided by the Agency, ("**No**" is checked above) then provide a statement in the space provided below indicating why the Agency should approve the requested assistance:

The financial assistance would significantly expedite the project timeline, allowing us to implement key components more efficiently. OCIDA's expertise and resources would enhance the overall success and impact of the project, contributing to the local community and economy.

Setting up a manufacturing facility requires significant investment in specialized equipment and machinery. Without OCIDA's financial support, acquiring these assets could strain the budget or even render the project financially unfeasible.

How will the Applicant's plans be affected or scaled back if Agency approval is not granted?

The project likely would not be able to commence if the OCIDA approval was not granted.

6(d) Is the proposed project reasonably necessary to discourage the Applicant from removing such other plant or facility to a location outside the State of New York?

Yes No **If Yes**, please explain briefly.

6(e) Will financing by the Agency result in the removal or abandonment of a plant or other facility of the applicant or any related entity presently located in another area of New York State?

If Yes, please provide a statement and evidence supporting the same. NYS SEQRA Environmental Review

- The applicant must complete, sign and return to the IDA **either** the Short Form Environmental Assessment Form (SEAF) **or** the Full Environmental Assessment Form (FEAF). See the NYS DEC website for the most current versions of these documents.

https://www.dec.ny.gov/regulatory/permits-licenses/seqr#EAF_Part_1

- To determine which EAF form is appropriate for the project, the applicant should consult with its engineer or legal counsel.
- It is the IDA's strong preference that the municipality that governs the jurisdiction where the project is located (e.g., a Planning Board, Zoning Board or other supervisory board) serve as lead agency for the SEQRA review.
- In limited cases, the IDA will act as lead agency, but it may lead to additional cost to the applicant if a review is required to make a determination of environmental impact.
- If another public body is serving as lead agency for the SEQRA review the applicant should provide the IDA with a signed Part 2 (and Part 3 if using the Long Form) and any minutes of meetings that detail the lead agency's determination.
- The IDA cannot grant any financial assistance until the SEQRA review process is complete.

LEASE TERMS & AGREEMENT:

ARTICLE I Premises

1.01 Premises

Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, a single free standing building to be constructed on the property ("Property") known as 102 East Seneca Street in the City of Sherrill, County of Oneida and State of New York. The Building will be located on the portion of the Property identified as Parcel "C" and outlined in blue on the survey ("Survey") entitled "Showing Proposed Tax Parcels "A", "B" & "C" Portion Of The Lands Of ONX3, LLC" prepared by Delta and attached hereto as Exhibit A-1 ("Building Parcel"). The single free standing building leased by Tenant from Landlord (the "Premises" or the "Leased Premises") shall be known as Suite 715 and will be comprised of approximately 63,000 square feet (the actual leasable square feet shall be determined by a re-measurement of pursuant to Section 1.02 below) and is generally depicted on the proposed Site Plan dated October 19, 2022 attached hereto and made a part hereof as Exhibit A ("Site Plan"). The Building Parcel will be known as SBL No.: 322.015-1-1.6. In addition, Tenant will have the exclusive use of twenty (20) parking spaces highlighted in yellow on the Site Plan ("Parking Spaces") and the right of non-exclusive use of the remaining Common Areas (as hereinafter defined). Landlord shall have the right, without Tenant's consent, to relocate the Parking Spaces to another location on the Property within 150' of the outside perimeter of the building containing the Premises upon thirty (30) days prior notice by Landlord to Tenant. The Premises shall be deemed to include the Parking Spaces for purposes of the Lease and the Parking Spaces shall be subject to the terms of this Lease. The Parking Spaces shall be secured and monitored by Tenant at Tenant's cost and expense; provided however, any such monitoring and securing by Tenant shall be subject to Landlord's prior review and approval thereof. Landlord also represents and warrants that truck traffic will have unobstructed movement through the Property to reach the Premises and that there shall be a minimum of eight (8) over the road dock doors. Landlord covenants and warrants that the Premises does not require subdivision to comply with City of Sherrill or New York States codes.

Landlord reserves the use of said land, walls and roof of the Premises for the purpose of installing, maintaining, using, repairing and replacing pipes, ducts, conduits, wires and structural elements leading through the Premises in locations which will not materially interfere with Tenant's use of the Premises.

1.02 Re-Measurement of Premises.

Landlord shall have the Premises measured using Building Owners and Managers Association standards within 60 days after the Term Commencement Date (as hereinafter defined) to determine the actual leasable square footage. Once the actual leasable square footage is determined, then: (a) the leasable square foot number set forth in Section 1.01 shall be automatically adjusted to reflect the actual leasable square footage of the Premises based on such re-measurement, (b) the Fixed Annual Minimum Rent (as hereinafter defined) (as is increased over

the Term) shall be adjusted for each year in the Term at the per square foot rate applicable during each such year to reflect the actual leasable square footage of the Premises, and (c) the Common Area Charge (as hereinafter defined) shall be adjusted to reflect the actual leasable square footage of the Premises. All such changes shall be effective retroactive to the Term Commencement Date, and within 30 days after such a re-measurement of the Premises is taken, the Tenant shall pay to the Landlord any shortfall in Rent (as hereinafter defined), or the Landlord shall reimburse to the Tenant any overpayment of Rent (as the case may be), which resulted from the miscalculation of the size of the Premises. Also, Landlord and Tenant shall within such 30-day period enter into a written amendment to this Lease setting forth all such changes to this Lease as a result of the re-measurement.

Until the actual leasable square footage of the Premises is determined by such re-measurement pursuant to this Section 1.02, the leasable square feet of the Premises shall be based upon the square footage recited herein (i.e. 63,000 square feet) for purposes of any calculations under this Lease which require the leasable square footage of the Premises, including but not limited to Rent (as hereinafter defined) and the Common Area Charge (as hereinafter defined).

ARTICLE 2 Term of Lease

2.01 Term

The initial term of this Lease shall be approximately ten (10) years commencing on the date that Landlord delivers possession of the Premises to Tenant ("Term Commencement Date") and ending on the last day of the month in which occurs the tenth (10th) year anniversary of the Term Commencement Date (the last day of such month is herein referred to as the "Expiration Date"). The period set forth in this Section 2.01 is herein referred to as the "Initial Term" and the Initial Term, together with any Extension Terms that have taken effect, hereafter referred to as the "Term".

2.02 Financials

If required by Landlord's lender as part of the financing of the Property, Tenant agrees to furnish to Landlord copies of Tenant's most recent annual audited financial statements within ten (10) days after Landlord's request therefor. The financial statements shall be prepared in accordance with generally accepted accounting principles, consistently applied. The financial statements shall include a balance sheet and a statement of profit and loss, and the annual financial statement shall also include a statement of changes in financial position and appropriate explanatory notes. Landlord may deliver the financial statements to any prospective or existing mortgagee or purchaser of the Premises. At Tenant's request, prior to disclosing such financial information, Landlord shall enter into a confidentiality agreement with Tenant, which agreement is reasonably acceptable to Landlord and covers confidential financial information provided by Tenant to Landlord.

2.03 Stipulation of Term

Landlord and Tenant agree to execute and deliver a written Stipulation of Term of Lease in the form attached hereto as Exhibit "C", prepared by Landlord, documenting the Term Commencement Date and termination date of the Initial Term of this Lease when such dates have been determined. If Tenant disputes Landlord's determination of the Term Commencement Date, Tenant shall still commence the payment of Fixed Monthly Minimum Rent and Additional Rent as of the date that is consistent with Landlord's determination, without prejudice to Tenant's position in such dispute. If it is determined that the date Tenant should have commenced such payments is later than the date Tenant actually commenced such payments, then Landlord will promptly refund any overpayments to Tenant after such determination is made.

2.04 Extension Term

Provided that Tenant shall not be in default of any of its obligations under this Lease beyond any applicable notice and cure period, Tenant shall have the option, to be exercised as hereinafter set forth, to extend the term of this Lease for two (2) consecutive periods of five (5) years each (herein referred to individually as the "Extension Term" and collectively as the "Extension Terms").

Each Extension Term shall be upon the same terms and conditions of the Initial Term of this Lease, except that: (i) there shall be no privilege to extend the term of this Lease for any period of time beyond the expiration of the last Extension Term, and (ii) the Fixed Annual Minimum Rent during each Extension Term shall be as set forth in Section 3.01.

In the event Tenant elects to exercise its option to extend the term of this Lease, it shall do so by written notice to Landlord at least 180 days ("Extension Term Exercise Date") prior to the date of expiration of the Initial Term or the then expiring first and/or second Extension Term, or the option shall be deemed waived and null and void. Upon Landlord's receipt of Tenant's notice to extend, this Lease shall be deemed to be extended without the execution of any further lease or other instrument.

2.05 Surrender of Premises

At the expiration of the Term or earlier termination of this Lease, Tenant shall surrender the Premises in good condition, reasonable wear and tear and damage by fire or casualty excepted. Time is of the essence with respect to Tenant's surrender of the Premises pursuant to the preceding sentence. All personal property and equipment of Landlord used in the operation of the Premises and all leasehold improvements shall remain in the Premises including, but without limitation, carpeting, wall coverings, heating, ventilating and air-conditioning equipment, and lighting fixtures and plumbing fixtures. Tenant shall remove from the Premises all of Tenant's trade fixtures, furnishings, equipment and other personal property of Tenant at the time of Tenant's surrender of the Premises.

ARTICLE 3 Rent

3.01 Fixed Monthly Rent

Tenant agrees to pay Landlord fixed annual minimum rent equal to the price per square foot ("PSF") amount hereinafter set forth multiplied by the leasable square feet in the Premises ("Fixed Annual Minimum Rent"), which shall be payable in equal consecutive monthly installments ("Fixed Monthly Minimum Rent"). Until the actual leasable square feet of the Premises is determined by a re-measurement pursuant to Section 1.02, the leasable square feet of the Premises shall be 63,000 leasable square feet for purposes of calculation of the Rent (as hereinafter defined) and the Common Area Charge (as hereinafter defined).

Effective as of the Term Commencement Date, the annual PSF amount shall be as follows:

Months 1-12 [REDACTED]

Months 13-24 [REDACTED]

Months 25-84 [REDACTED]

Months 84--120 Annual Index Increases (see below)

Annual Index Increases for each Extension Term (see below)

Effective as the seventh anniversary of the Term Commencement Date (start of Year 8 or the 84th month) and each yearly anniversary thereafter during the Initial Term and any Extension Term, the applicable Fixed Annual Minimum Rent shall be increased by multiplying the Fixed Annual Minimum Rent then in effect by the percentage increase in Index (as defined in Section 20.26) for the calendar month immediately preceding the month in which the adjustment is to be made from the Index in the same calendar month in immediately preceding year. In no event shall this calculation result in a reduction of Fixed Annual Minimum Rent below that then in effect and payable during the immediately preceding year. By way of example and not limitation, if the adjustment is to occur effective May 1, 2022, the CPI-U Index (all items) for the month of April, 2022 is 289.109 and the CPI-U Index for the month of April, 2021 is 267.054 so $289.109 - 267.054 = 22.01$ divided by 267.054 results in an increase of .0826 or 8.26%.

Landlord shall provide notice to Tenant of each such adjustment promptly following the publication of the Index required for the adjustment calculation. Any amount shown to be due by reason of such adjustment shall be paid to Landlord within ten business (10) days following such notice. Any amount shown to be due by reason of such adjustment shall be paid to Landlord within ten business(10) days following such notice.

Fixed Monthly Minimum Rent shall be paid in advance without diminution, deduction or set-off whatsoever except as otherwise specifically provided in this Lease and without prior notice or demand and be due upon the first day of each calendar month during the term hereof.

If the Term of this Lease or payment of Fixed Monthly Minimum Rent shall commence or terminate upon a day other than the first day of a calendar month, Tenant shall pay, within the earlier of: fifteen (15) days after invoice from Landlord, or on the first (1st) day of the next ensuing month, a pro rata portion of the Fixed Monthly Minimum Rent for the first and last fractional calendar month, respectively, prorated on a per diem basis with respect to such fractional calendar month(s).

3.02 Payment of Fixed Monthly Minimum Rent

Each installment of Fixed Monthly Minimum Rent herein provided to be paid by Tenant to Landlord shall be paid by check, draft, or like instrument (or by ACH or wire transfer if Landlord and Tenant so agree) payable to the order of Landlord or such other person, firm or corporation as shall have been designated in writing by Landlord to receive such payments from time to time during the Term, without any diminution, set-off or deduction whatsoever except as otherwise specifically provided in this Lease. Upon full execution of this Lease, Landlord will provide relevant ACH or wire information to Tenant.

3.03 Payment of Additional Rent

All rents, charges, costs, expenses, reimbursements, fees, interest, and any other payments to be made by Tenant to Landlord under this Lease (or which are attributable to the Premises), other than Fixed Monthly Minimum Rent, shall be deemed to be "Additional Rent." Fixed Monthly Minimum Rent and Additional Rent shall be collectively referred to herein as "Rent".

3.04 Past Due Rent

If during the Term of this Lease, Tenant fails to pay the Fixed Monthly Minimum Rent or Additional Rent within fifteen days (15) of the date when the same is due and payable, Tenant shall pay to Landlord, as liquidated damages for such late payment and in addition to such Fixed Monthly Minimum Rent or Additional Rent, without notice or demand by Landlord, a sum equal to five percent (5%) of the past due amount, plus interest on the past due amount at a rate equal to the then-prevailing Prime Rate (as published in The Wall Street Journal or its successor) plus two percent (2%) from the due date of such past due amount until such past due amount is paid. Nothing contained in this Section 3.04 shall be construed to be a limitation of or in substitution of Landlord's rights and remedies under Article 12 of this Lease.

3.05 Security Deposit

The parties acknowledge and agree that no security deposit is required under this Lease.

If the total amount paid by Tenant for any insurance year exceeds the amount due from Tenant for such year, the overpayment by Tenant shall either be applied as a credit to the next succeeding monthly installment, or applied to offset any then existing past due Rent under this Lease, if any. In the event of any over payment by Tenant in the last Lease Year or last partial Lease Year, Tenant shall be entitled to receive a refund of the monies overpaid after application to any then past due Rent, if any, by Tenant under this Lease. For the insurance years in which this Lease commences and terminates, the provisions of this paragraph shall apply and Tenant's

(b) Tenant agrees that upon the Term Commencement Date, Tenant shall pay to Landlord, as Additional Rent and within thirty (30) days after receipt of a bill therefor, the amount of the actual invoiced amount of the insurance premiums for the Premises for the then current policy period which have been previously paid by Landlord. Such amount shall be calculated on the basis of the number of days (from the Term Commencement Date) remaining in such policy period and shall be in addition to the amounts due pursuant to Section 5.07(a) above.

ARTICLE 6 Taxes

6.01 Taxes

(a) If, as of the Term Commencement Date, Landlord has previously paid Real Estate Taxes for a portion of the then current tax year that includes a period of time from and after the Term Commencement Date (the "Current Tax Year Payment"), then Tenant shall reimburse Landlord, as Additional Rent, within thirty (30) days after receipt of notice from Landlord, for the amount of the Current Tax Year Payment allocable to the period of time from and after the Term Commencement Date, which allocable amount shall be determined by multiplying the Current Tax Year Payment by a fraction, the numerator of which is the number of days between the Term Commencement Date and the last day of the period covered by the Current Tax Year Payment and the denominator of which is the total number of days covered by the Current Tax Year Payment. Notwithstanding anything to the contrary contained herein, in the event the Real Estate Taxes shall include other leasable premises made available by Landlord to lease to third parties (in addition to the Premises), Tenant shall pay to Landlord within thirty (30) days after receipt of a bill therefor, as Additional Rent, the amount of Tenant's Allocable Share of Real Estate Taxes for the then current tax year or period. Whenever used herein, the term "square feet" shall consist of the area of the floor space on all floors (excluding mezzanines, if any) measured from the outside face of all exterior walls of the buildings and the midpoints of any interior walls.

(c) Should any governmental taxing authority levy, assess, or impose any tax, excise, or assessment (other than income, inheritance, gift, sales, or franchise tax) upon or against the rentals payable by Tenant to Landlord, by way of substitution for or in addition to any existing tax on land and buildings, Tenant shall be responsible for and shall pay any such tax, excise, or assessment, or shall reimburse Landlord for the amount thereof, as the case may be.

If, due to a future change in the method of taxation, any franchise, income, profit or other tax, however designated, shall be levied or imposed in substitution, in whole or in part, for (or in lieu of) any tax or addition to or increase in any tax which would otherwise be included within the definition of Real Estate Taxes, then such other tax shall be deemed to be included within Real Estate Taxes. Real Estate Taxes does not include any tax recapture Landlord owes or comes to owe a government entity under any tax incentive program, including without limitation, a payment in lieu of taxes ("PILOT") agreement, which recapture is the sole responsibility of Landlord. In the event that the Tenant undertakes a PILOT application, the Landlord will, at no cost to Landlord, assist the Tenant with any reasonable requests associated with said application and process.

- (e) Any payment to be made by Tenant to Landlord for any item of Tenant's Work which Tenant requests Landlord to perform and which Landlord agrees to undertake as provided in this Section 7.02, and/or any other work which Landlord performs at Tenant's request with respect to the Premises, shall be paid for in full by Tenant as Additional Rent within thirty (30) days after Tenant's receipt of a bill therefor.

In addition, notwithstanding the foregoing in this Section 9.01(a), Tenant shall be responsible for any repairs that are the responsibility of Tenant as set forth in Section 9.01(b) hereof.
- (b) Tenant agrees, at its sole cost and expense, to repair and maintain any and all of Tenant's fixtures, equipment and improvements located inside and outside the Premises.
- (c) If Tenant fails to perform its maintenance, repair and replacement obligations as set forth herein within (15) days after Landlord's delivery to Tenant of notice of the need therefor, then Landlord will have the right, upon delivery of three (3) business days' notice to Tenant, to perform (cause to be performed) all or part of such maintenance and repairs, at the sole cost and expense of Tenant, and Tenant will reimburse Landlord for such costs and expenses within thirty (30) days after Landlord's delivery to Tenant of an invoice therefor.
- (d) Repairs made by Landlord required due to negligence or fault of Tenant, its contractors, agents or employees will be made at Tenant's expense, plus a five percent (5%) administrative charge.

9.02 Hazardous Materials

Tenant shall, at all times during the Term of this Lease, comply with all Federal, State and local laws, ordinances, codes, rules, regulations, directives, and other requirements governing the use, storage, transportation, handling and/or disposal of Hazardous Material used by Tenant within the Premises or introduced by Tenant into the Premises. Landlord shall, at all times during the Term of this Lease, comply with all Federal, State and local laws, ordinances, codes, rules, regulations, directives, and other requirements governing the use, storage, transportation, handling and/or disposal of Hazardous Material used by Landlord within the Premises or introduced by Landlord into the Premises. As used in this Section, the term "Hazardous Material" shall mean any hazardous or toxic substance, material or waste which is regulated, or becomes regulated, by the United States Government or by any State, local, or other governmental authority. Landlord and its agents will have the right, but not the obligation, to inspect the Premises upon reasonable oral or written notice to Tenant to determine whether Tenant is in compliance with the terms of this Section. If Tenant is not in compliance with this Section, Landlord will have the right, but not the obligation, to enter upon the Premises and take whatever actions are reasonably necessary to effectuate compliance including, but not limited to, the removal of any such Hazardous Material from the Premises. Tenant shall pay all costs so incurred by Landlord within thirty (30) days of Tenant's receipt of a bill therefor, plus five percent (5%) for administration.

Notwithstanding any other provision in this Lease to the contrary, Tenant hereby agrees to indemnify and to hold harmless Landlord and its members, officers, directors, shareholders, partners and principals of, from and against any and all expense, loss, cost, claim, damage, penalty, fine, or liability of any kind or nature suffered by Landlord by reason of the presence or release of Hazardous Material at or from the Premises that is caused or created by Tenant or by Tenant's breach of any of Tenant's obligations under this Section, including without limitation: (A) any and all expenses that Landlord may incur in complying with any applicable law, (B) any and all costs that Landlord may incur in studying, assessing, containing, removing, remedying, mitigating, or otherwise responding to, the presence or release of any Hazardous Material at or from the Premises, (C) any and all costs for which Landlord may be liable to any governmental agency for studying, assessing, containing, removing, remedying, mitigating, or otherwise responding to, the presence or release of any Hazardous Material at or from the Premises, and (D) any and all fines or penalties assessed, or threatened to be assessed, upon Landlord by reason of a failure of Tenant to comply with any of Tenant's obligations under this Section. Tenant's obligations under this Section shall survive the expiration or earlier termination of the term of this Lease.

9.03 Americans with Disabilities Act

Tenant shall be responsible for complying with all applicable requirements of the American With Disabilities Act of 1990 and all regulations promulgated thereunder ("ADA") resulting from Tenant's particular use and occupancy of the Premises or resulting from Tenant's alterations, modifications, additions or improvements to the Premises.

ARTICLE 10

Damage by Fire, Theft and Water Damage

10.01 Restoration of Premises

(a) The parties hereto mutually agree that if the Premises are partially or totally destroyed or damaged by fire or other casualty, then Landlord (subject to being able to obtain all necessary permits and approvals therefor) shall repair and restore the Permanent Improvements of the Premises as soon as is reasonably practicable to substantially the same condition in which the Premises existed before such damage; provided that if the insurance proceeds collected or collectible and available to Landlord to pay the cost of such repairs and restorations by Landlord as a consequence of such destruction or damage are less than the cost of such repairs and restoration as estimated by Landlord's architect, Landlord shall not be obligated to commence or perform such repairs and restorations, and this Lease upon notice by Landlord to Tenant shall at the option of Landlord terminate unless Tenant undertakes (in form and upon terms satisfactory to Landlord) to pay the difference between such estimated cost and such insurance proceeds. If, however, the Premises or other portions of the Property are completely destroyed or so damaged that Landlord cannot reasonably restore or rebuild in six (6) months to substantially the same condition which existed before such damage, then Landlord at its option, shall not be required to rebuild or restore, and this Lease may be terminable by Landlord or Tenant serving written notice upon Tenant. In any event, if repairs have not been commenced within sixty (60) days after the date on which Landlord receives the insurance proceeds and necessary permits and approvals, this Lease may be terminated by Tenant serving notice upon Landlord following the expiration of such sixty (60) days, but in no event may Tenant terminate this Lease after such repairs have been commenced by Landlord. If Landlord does not intend to repair the casualty and provides written notice thereof to Tenant, then Tenant may terminate the Lease on sixty (60) days written notice to Landlord. Notwithstanding the foregoing, Landlord shall not be obligated to repair any damage to the Premises caused by or the result of the negligence or intentional act of Tenant, its employees, agents or contractors.

(b) In the event the Premises are completely or partially destroyed or so damaged by fire or other hazard that the Premises cannot be reasonably used by Tenant or can only be partially used by Tenant and this Lease is not terminated as above provided, there shall be no abatement of Rent, it being understood and agreed that Tenant at its discretion, cost and expense shall procure business interruption insurance with gross earnings coverage form and extra expense coverage form as may be necessary to protect itself against any losses from interruption of its business.

10.02 Restoration During Last Two Years

Anything in Section 10.01 to the contrary notwithstanding, if, within one (1) years prior to the expiration of the Initial Term or at any time during any Renewal Term (if any) of this Lease the Premises shall be damaged or destroyed by fire or otherwise and the estimated cost of restoration exceeds One Hundred Thousand and 00/100 Dollars (\$100,000.00), Landlord shall be under no obligation to repair and restore the Premises, and at the election of Landlord by notice to Tenant this Lease shall terminate.

10.03 Intentionally Omitted

10.04 Section 227 of the Real Property Law

This Lease shall be considered an express agreement governing any case of damage to or destruction of the Premises or any part thereof by fire or other casualty, and Section 227 of the Real Property Law of the State of New York, and any other law of like import now or hereafter in force, shall have no application in such case.

ARTICLE 11 Eminent Domain

11.01 Eminent Domain

If the whole of the Premises, or such portion thereof as to render the balance wholly unsuitable for the purpose of Tenant, shall be taken by condemnation or the right of Eminent Domain, or by agreement between Landlord and those authorized to exercise such right (collectively the "Condemnation Proceedings"), either party upon written notice to the other shall be entitled to terminate this Lease provided that such notice is given not later than thirty (30) days after Tenant has been deprived of possession or use by such taking. Should the net amount so awarded to and received by Landlord be insufficient to cover the cost of restoring the Premises as estimated by Landlord's architect, Landlord may, at its election, supply the amount of such insufficiency and restore the Premises, as above provided, or terminate this Lease. Should any part of the Premises be so taken and should this Lease not be terminated in accordance with the foregoing provisions, Landlord agrees to promptly after receipt of the award expend as much as may be necessary of the net amount which has been awarded to and received by it in such Condemnation Proceedings in restoring the Premises to an architectural unit as nearly like its condition prior to such taking as shall in the judgment of Landlord be practicable, with an equitable adjustment to be made in Fixed Annual Minimum Rent. Where Tenant has not already exercised any right of termination under this Section 11.01, Landlord shall notify Tenant of Landlord's election within ninety (90) days after the final determination of the amount of the award.

11.02 Landlord Entitled to Award

Out of any award for any such taking of the Premises or any part thereof, Landlord shall be entitled to receive and retain the amounts awarded for such Premises, except that Tenant shall be entitled to receive and retain only amounts which may be specially awarded to it in any such condemnation proceedings because of the taking of its trade fixtures and its leasehold improvements which have not become a part of the realty, and such business loss as Tenant shall specifically and separately establish, but not otherwise. It is understood in the event of the termination of this Lease as aforesaid, Tenant shall have no claim against Landlord or the condemning authority for the value of any unexpired term of this Lease and no right or claim to any part of the award on account thereof. Tenant hereby waives each such claim or right and assigns any such claim or right to Landlord. Tenant may separately pursue the condemning authority for moving expenses, the taking of personal property of Tenant, any improvements constructed and paid for by Tenant, or for the interruption of or damage to Tenant's business, provided, however, that the same does not thereby diminish Landlord's award.

ARTICLE 12 Bankruptcy and Default Provisions

12.01 Conditional Limitations

Each of the following constitutes an "Event of Default":

- (a) Tenant or Tenant's Guarantor, if any, makes an assignment for the benefit of its creditors;
- (b) A petition is filed by or against Tenant or Tenant's Guarantor, if any, in any court, whether or not pursuant to any statute of the United States or of any State, in any bankruptcy, reorganization, composition, extension, arrangement or insolvency proceedings, and Tenant or Tenant's Guarantor, if any, is thereafter adjudicated bankrupt, or such petition is approved by the court, or the court shall assume jurisdiction of the subject matter, and if such proceedings are not dismissed within ninety (90) days after the institution of the same;
- (c) A receiver or trustee is appointed for Tenant's or Tenant's Guarantor's, if any, property, and such receivership or trusteeship shall not be vacated or set aside within ninety (90) days after the appointment of such receiver or trustee;
- (d) Tenant fails to pay installment of the Fixed Monthly Minimum Rent, or Additional Rent or any part thereof when the same shall become due and payable, and such failure continues for fifteen (15) days after the date it is due; or
- (e) Tenant fails to perform or observe any other requirement of this Lease (not hereinbefore in this Section specifically referred to) on the part of Tenant to be performed or observed, and such failure continues for thirty (30) days after notice thereof from Landlord to Tenant, provided however, that if the nature of Tenant's failure is such that it cannot reasonably be cured within such thirty (30) day period, then an Event of Default shall not exist if Tenant commences to cure such failure within such thirty (30) day period and thereafter diligently pursues such cure to completion,

Upon the happening of an Event of Default, and the expiration of the period of time prescribed in any such notice of default, Landlord may give Tenant a notice ("Notice of Termination") of Landlord's termination of the Term of the Lease, and upon Tenant's receipt of such Notice of Termination, this Lease and the Term of this Lease, as well as all of the right, title and interest of Tenant hereunder, shall wholly cease and expire in the same manner and with the same force and effect as if the date of Tenant's receipt of such Notice of Termination were the date originally specified herein for the expiration of the Term of this Lease, and Tenant shall then quit and surrender the Premises to Landlord, but Tenant shall remain liable as hereafter provided.

12.02 Landlord's Remedies

- (a) If this Lease is terminated as provided in Section 12.01 above, Landlord may at any time thereafter repossess the Premises by a summary dispossession proceeding or by any suitable action or proceeding at law, and if such action or proceeding is

successful, Landlord may repossess and enjoy the Premises, together with all alterations, additions and improvements thereto.

- (b) In case of any such dispossession by summary proceedings or otherwise, the Rents and all other charges required to be paid up to the time of such dispossession, shall be paid by Tenant and Tenant shall also pay to Landlord all reasonable attorneys' fees, brokerage commissions and all other costs paid or incurred by Landlord for restoring the Premises to good order and condition and Landlord may at any time and from time to time, relet the Premises, in whole or in part, for any rental then obtainable either in its own name or as agent of Tenant, for a term or terms that, at Landlord's option, may be for the remainder of the Term of this Lease or for any longer or shorter period.
- (c) If this Lease is terminated as aforesaid, Tenant nevertheless covenants and agrees, notwithstanding any entry or re-entry by Landlord whether by summary proceedings, termination or otherwise, to pay and be liable for on the days originally fixed herein for the payment thereof, amounts equal to the several installments of Fixed Monthly Minimum Rent and Additional Rent as they would under the terms of this Lease become due if this Lease had not been terminated or if Landlord had not re-possessed the Premises, whether the Premises are relet or remain vacant in whole or in part for a period less than the remainder of the Term, but in the event the Premises are relet by Landlord, Tenant shall be entitled to a credit in the net amount of rent received by Landlord in reletting the Premises after deduction of all reasonable expenses and costs incurred or paid by Landlord in reletting the Premises and in collecting the rent in connection therewith. As an alternative, at the election of Landlord, Tenant shall pay to Landlord as damages a sum equal to the amount by which the then present value of the total Fixed Monthly Minimum Rent and Additional Rent and other benefits that would have accrued to Landlord under this Lease for the remainder of the Term (including all renewal terms whether or not Tenant has elected to renew) exceeds the then present rental value at the time of such termination of the total Fixed Monthly Minimum Rent and Additional Rent and other benefits that would have accrued to Landlord under this Lease for the remainder of the Term (including all renewal terms whether or not Tenant has elected to renew) if the terms of this Lease had been fully complied with by Tenant.
- (d) Tenant, for and on behalf of itself and all persons claiming through or under Tenant, waives any and all right of redemption or re-entry or repossession under present or future laws including specifically but without limitation Section 761 of the New York Real Property Actions and Proceedings Law including any amendments hereafter made thereto and Tenant hereby further waives any and all rights to restore the operation of this Lease in case Tenant is dispossessed by a final judgment or by warrant of any court or judge or in case of re-entry or repossession by Landlord or in case of any expiration or termination of this Lease. Landlord and Tenant, so far as permitted by law, waive and will waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other

on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of said Premises, or any claim of injury or damage. The terms "enter", "entry", or "re-entry" as used in this Lease are not restricted to their technical legal meaning.

- (e) No failure by Landlord to insist upon the strict performance of any covenant, agreement, term or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial rent during the continuance of any such breach, will constitute a waiver of any such breach or of such covenant, agreement, term or condition. No waiver of any breach will affect or alter this Lease, but each and every covenant, agreement, term and condition of this Lease shall continue in full force and effect with respect to any other then existing or subsequent breach thereof. No payment by Tenant or receipt by Landlord of a lesser amount than the Fixed Monthly Minimum Rent or Additional Rent shall be deemed to be payment in full of such amount due, nor shall an endorsement or statement on any check or letter accompanying a check for payment of rent be deemed any accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance due or to pursue any other remedy provided by this Lease.
- (e) In the event of any breach or threatened breach by Landlord or Tenant of any of the covenants, agreements, terms or conditions contained in this Lease, the other party to this Lease will be entitled to enjoin such breach or threatened breach and will have the right to invoke any right and remedy allowed at law or in equity or by statute or otherwise.
- (g) Each right and remedy of Landlord or Tenant provided for in this Lease will be cumulative and will be in addition to every other right or remedy provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise. Anything contained in this Lease to the contrary notwithstanding, in no event shall Landlord ever be liable to Tenant for any indirect or consequential damages by reason of Landlord's breach or default of the terms of this Lease.
- (h) In the event that at any time during the Term of this Lease either Landlord or Tenant shall institute any action or proceeding against the other relating to the provisions of this Lease, or any default hereunder, the unsuccessful party to such action or proceeding agrees to reimburse the successful party for the reasonable attorneys' fees and disbursements incurred therein by the successful party.

ARTICLE 13

Mechanic's Liens

13.01 Mechanic's Liens

- (a) Tenant agrees to pay when due all sums of money that may become due for or purporting to be due for any labor, services, materials, supplies or equipment

alleged to have been furnished or to be furnished to or for Tenant in, upon or about the Premises.

- (b) If any mechanic's liens are filed against the Premises based upon any act of Tenant or anyone claiming through Tenant, the Tenant will promptly commence such action by bonding, deposit, payment or otherwise as will remove or satisfy such lien within thirty (30) days. In the event Tenant does not remove or satisfy such lien within such thirty (30) day period, Landlord will have the right to do so by posting a bond or undertaking and Tenant agrees to reimburse Landlord for any and all expenses incurred by Landlord in connection therewith within five (5) days after receipt of Tenant of Landlord's invoice therefor. These expenses include, but are not limited to, filing fees, legal fees and bond premiums.

ARTICLE 14
Mortgages, Assignments, Subleases and
Transfers of Tenant's Interest

14.01 Limitation of Tenant's Rights

- (a) During the Term of this Lease, neither this Lease nor the interest of Tenant in this Lease shall be sold, assigned, transferred, mortgaged, pledged, hypothecated, sublet or otherwise disposed of, whether by operation of law or otherwise, without the prior written consent of the Landlord in each instance, which consent shall be in Landlord's sole reasonable discretion.
- (b) No consent by Landlord to an assignment of this Lease and no assignment made as hereafter permitted, shall be effective until there has been obtained and delivered to Landlord (i) an agreement, in recordable form, executed by Tenant and the proposed assignee (and also executed by Landlord for purposes of evidencing Landlord's consent to such agreement), whereby such assignee assumes due performance of the obligations on Tenant's part to be performed under this Lease to the end of the Term hereof and (ii) a written consent to such assignment by the holder of any fee or leasehold mortgage to which this Lease is then subject if so required by the terms of such fee or leasehold mortgage.
- (c) Notwithstanding the assumption by such assignee of due performance, Tenant shall continue to be fully responsible for the due performance of Tenant's obligations hereunder in the same manner and to the same extent as if no such assignment had been made unless otherwise agreed in writing by the Landlord.
- (d) Any assignment, mortgage, pledge or hypothecation of this Lease, or of the interest of Tenant hereunder, without full compliance with any and all requirements set forth above shall be a breach of this Lease and a default hereunder.

14.02 Effect of Landlord's Consent

Any consent by Landlord to a sale, assignment, mortgage, pledge, hypothecation, sublet or transfer of this Lease shall apply only to the specific transaction thereby authorized and shall not relieve Tenant from the requirement of obtaining the prior written consent of Landlord to any further sale, assignment, mortgage, pledge, hypothecation, or other transfer of this Lease.

ARTICLE 15

Compliance with Governmental Orders, Etc.

15.01 Tenant to Comply

Tenant, at Tenant's expense, shall promptly execute and comply with all statutes, ordinances, rules, orders, regulations and requirements of the Federal, State and Local Governments and of any and all other departments and bureaus applicable to the Premises for the correction, prevention and abatement of all nuisances, violations or other grievances in, upon, or connected with the Premises (herein referred to as "Government Orders") during the Term of this Lease and will also comply promptly with and execute all rules, orders and regulations of the Board of Fire Underwriters, rating boards and insurance companies for the prevention of fires and liability risks.

15.02 Failure to Comply

If Tenant fails or neglects to comply with the aforementioned Government Orders or if Tenant fails or neglects to make any necessary repairs as herein required of Tenant, then Landlord or its agents may enter the Premises and make said repairs and comply with any and all of the said Government Orders at the cost and expense of the Tenant, and in case of Tenant's failure to pay therefor within thirty (30) days after notice from Landlord of the amount of said costs and expense, the said cost and expense will be added to the next month's rent installment and be due and payable as such, or Landlord may deduct the same from any balance remaining in Landlord's hands. This provision is in addition to the right of the Landlord to terminate this Lease by reason of default on the part of Tenant.

ARTICLE 16

Subordination to Lease

16.01 Subordination to Mortgages

(a) The rights and interest of Tenant under this Lease shall be subject and subordinate to any mortgage or trust deed now or hereafter placed upon any portion of the Property, and to any advances made thereunder, and to the interest thereon, and to all renewals, modifications, consolidations, replacements, extensions and re-financings thereof. Tenant agrees that any ground lessor, mortgagee or trustee may elect to give the rights and interest of Tenant under this Lease priority over the lien of its ground lease, mortgage or trust deed. In the event of such election, the rights and interests of Tenant under this Lease automatically shall have priority over the lien of said ground lease, mortgage or trust deed, and no additional consent or instrument shall be necessary or required. However, Tenant agrees to execute and deliver to Landlord, without charge and within fifteen (15) days after request therefor, such instrument(s) as may be requested by any

such ground lessor, mortgagee, or trustee for such purposes (any such instrument(s) are hereinafter referred to as "Subordination Agreement"). In the event Tenant fails to timely execute and deliver to Landlord, any such Subordination Agreement in the form acceptable to any such ground lessor, mortgagee, or trustee and such failure causes damage to Landlord, Tenant shall be liable for all penalties or increased costs (including attorney's fees) resulting from Tenant's failure.

(b) The Premises are demised subject and subordinate to all encumbrances, and other matters of public record, if any, and all restrictions, covenants, zoning laws and governmental or any other regulations, now or hereafter affecting or governing the Premises.

ARTICLE 17

Entry to Premises

17.01 Inspection, Repairing and Showing of the Premises by Landlord

Landlord shall have the right to enter the Premises at all reasonable business hours upon reasonable prior notice, not less than 24 hours (except in the case of an emergency, in which case it will be reasonable under the circumstances) to Tenant for the purpose of:

- (a) inspecting the Premises;
- (b) making any repairs to the Premises and performing any work therein that may be required to be performed by Landlord under this Lease or that may be necessary by reason of Tenant's default under the terms of this Lease which continues beyond any applicable period of notice and opportunity to cure or to make improvements to the Premises for the safety, protection or preservation of the Premises as may be necessary or desirable in the operation or improvement of the Premises or in order to comply with all laws, orders, and requirements of governmental or other authority;
- (c) showing the Premises to persons wishing to purchase the Premises or to hold a mortgage on the Premises (upon prior notice to Tenant and at reasonable times); and
- (d) showing the Premises to prospective tenants (upon prior notice to Tenant and at reasonable times), including, during the last ninety (90) days of the Term, or prior to that time if Tenant vacates the Premises, placing a notice of reasonable size on or in the Premises offering the Premises "for rent" or "for lease."

Landlord shall take commercially reasonable steps not to interfere with Tenant's use of the Premises during all such times of access to the Premises and shall make good faith attempts to abide by any and all reasonable visitor and/or food safety standards set by the Tenant while on the Premises.

ARTICLE 18

Notices and Certificates

18.01 Notices and Certificates

Any notice, statement, certificate, request or demand required or permitted to be given in this Lease shall be in writing and hand delivered or sent by Federal Express, UPS or other recognized national overnight courier providing for a receipt upon delivery, or by certified mail, postage prepaid, return receipt requested, addressed, as the case may be, to Landlord at the address shown at the beginning of this Lease or to Tenant at the address shown at the beginning of this Lease, or to such other addresses as Landlord or Tenant shall have previously designated in the manner herein provided. Such notice, statement, certificate, request or demand shall be deemed to have been given on the date of receipt or refusal of receipt.

18.02 Certificates by Tenant and by Landlord

Within ten (10) days after request by either Landlord or Tenant, the other party to this Lease shall, without charge, deliver to the requesting party or to a person, firm or corporation specified by the requesting party, a duly executed and acknowledged instrument certifying:

- (a) that this Lease is unmodified and in full force and effect; or if there has been any modification, that this Lease is in full force and effect as modified and identifying the date of any such modification;
- (b) whether Landlord or Tenant (as the case may be) knows or does not know, as the case may be, of any default by the other party in the performance by the other party of the terms, covenants and conditions of this Lease, and specifying the nature of such defaults if any;
- (c) whether or not there are any then existing set-offs or defenses by Landlord or Tenant (as the case may be) to the enforcement by the other party of the terms, covenants and conditions of this Lease and, if so, specifying them;
- (d) the date to which the Fixed Monthly Minimum Rent has been paid; and
- (e) any other statement of fact reasonably requested by the requesting party.

ARTICLE 19 Covenant of Quiet Enjoyment

19.01 Covenant of Quiet Enjoyment

Tenant, subject to the terms and provisions of this Lease, on payment of the Rent and observing, keeping and performing all the terms and provisions of this Lease on its part to be observed, kept and performed shall lawfully, peaceably and quietly have, hold and enjoy the Premises during the Term hereof on and after the Term Commencement Date without hindrance

or ejection by Landlord and any persons lawfully claims under Landlord, subject nevertheless to the terms and conditions of this Lease and to any ground or underlying lease and/or mortgage(s).

ARTICLE 20

Miscellaneous Provisions

20.01 Holdover

Should the Tenant continue to occupy the Premises after the expiration of the Term hereof or after a forfeiture incurred, whether with or against the consent of the Landlord, the tenancy will be from month-to-month and the month-to-month tenancy will be under all the terms, covenants and conditions of this Lease, and at 125% of the Fixed Monthly Minimum Rent payable under Section 3.01 of this Lease.

20.02 Limitation on Personal Liability

- (a) Tenant will look solely to the estate and property of the Landlord in the Premises for the satisfaction of Tenant's remedies for the collection of a judgment (or other judicial process) requiring the payment of money by the Landlord in the event of any default or breach by the Landlord with respect to any of the terms, covenants and conditions of this Lease to be observed and/or performed by the Landlord and any other obligation of Landlord created by or under this Lease, and no other property or assets of the Landlord or its members will be subject to levy, execution or other enforcement for the satisfaction of Tenant's remedies.
- (b) The term "Landlord", as used in this Lease, so far as the covenants and agreements on the part of Landlord are concerned, is limited to mean and include only the owner or owners at the time in question of the Premises and Lease and in the event of any transfer or transfers of the title to this Lease and/or the Premises, Landlord herein named (and in case of any subsequent transfers or conveyances, the then grantor) shall be automatically freed and relieved from all liability with respect to the performance of any covenants and agreements on the part of the Landlord contained in this Lease thereafter to be performed, provided that such grantee or transferee has assumed and agreed to be bound by all of the covenants and agreements in this Lease to be performed on the part of Landlord, and that Landlord or the grantor has turned over to grantee on behalf of Tenant and has assigned to such grantee all right, title and interest of Landlord or such grantor in and to such sums held by Landlord under the terms, covenants and conditions of this Lease.

20.03 Force Majeure

The period of time during which either party is prevented or delayed in the performance of the making of any improvements or repairs or fulfilling any obligation under this Lease other than the payment of the Fixed Monthly Minimum Rent or Additional Rent required to be paid by Tenant under this Lease and other than Tenant's obligation to vacate the Premises upon the expiration of the Term of this Lease, due to unavoidable delays caused by fire, catastrophe, strikes or labor

trouble, civil commotion, Acts of God or the public enemy, governmental prohibitions or regulations or inability to obtain materials by reason thereof, or other causes beyond such party's reasonable control, will be added to such party's time for performance thereof, and such party shall have no liability by reason thereof.

20.04 Attornment by Tenant

If, at any time during the Term of this Lease, Landlord's mortgagee of the Premises becomes the owner of the Premises through foreclosure or otherwise, or if Landlord becomes the holder of a leasehold estate covering the Premises and if such leasehold estate is cancelled or otherwise terminated prior to the expiration date thereof and prior to the expiration of the Term of this Lease, Tenant will make full and complete attornment to such mortgagee or to such lessor of such leasehold estate for the balance of the Term of this Lease, upon the same covenants and conditions as are contained herein so as to establish direct privity between Tenant and such mortgagee or such lessor, with the same force and effect as though this Lease was made directly from such mortgagee or such lessor to Tenant, and Tenant will make all rent payments thereafter due under this Lease directly to such mortgagee or such lessor.

20.05 Landlord May Pay Tenant's Obligations

All costs and expenses which Tenant assumes or agrees to pay under the provisions of this Lease will be treated as Additional Rent and, in the event of non-payment, Landlord will have all the rights and remedies herein provided for in case of non-payment of rent or of a breach of covenant. If Tenant defaults in making any payment required to be made by Tenant (other than Fixed Monthly Minimum Rent) or defaults in performing any term, covenant or condition of this Lease on the part of the Tenant to be performed which shall involve the expenditure of money by Tenant, Landlord at Landlord's option may, but shall not be obligated to, on behalf of Tenant, expend such sum as may be necessary to perform and fulfill such term, covenant or condition, and any and all sums so expended by Landlord, with interest thereon at the then-prevailing Prime Rate as published in The Wall Street Journal from the date of such expenditure, shall be deemed Additional Rent, and shall be repaid by Tenant to Landlord on demand, but no such payment or expenditure by Landlord shall be deemed a waiver of Tenant's default nor shall it affect any other remedy of Landlord by reason of such default.

20.06 Indemnification by the Parties

Each Party (the "Indemnifying Party") hereby indemnifies the other Party (the "Indemnified Party") (and such other persons as are in privity of estate with that Party) and save it harmless from and against any and all claims, actions, damages, liability and expense in connection with loss of life, personal injury and/or damage to property occasioned wholly or in part by any negligent act or omission of the Indemnifying Party or its agents, contractors or employees. Should Landlord (and such other persons as are in privity of estate with Landlord), without fault on its part, be made a party to any litigation commenced by or against Tenant, then Tenant agrees to protect and hold Landlord harmless and to pay all costs, expenses, and reasonable attorney's fees incurred or paid by Landlord in connection with such litigation.

20.07 Effect of Captions

The captions or legends on this Lease are inserted only for convenient reference or identification of the particular paragraphs. They are in no way intended to describe, interpret, define or limit the scope, extent or intent of this Lease, or any paragraph or provision thereof.

20.08 Authorized to Do Business in New York

Tenant represents and covenants that it is, and throughout the Term of this Lease shall be, authorized to do business in the State of New York.

20.09 Execution in Counterparts

This Lease may be executed in one or more counterparts, any one or all of which shall constitute but one agreement.

20.10 Memorandum of Lease

This Lease shall not be recorded. If either party so requests, Landlord and Tenant agree to promptly execute a Memorandum of Lease in recordable form pursuant to Section 291-c of the Real Property Law of the State of New York to be recorded at the expense of the requesting party.

20.11 Law Governing, Effect and Gender

This Lease shall be construed in accordance with the laws of the State of New York and shall be binding upon the parties hereto and their respective legal representatives, successors and assigns except as expressly provided otherwise. Use of the neuter gender shall be deemed to include the masculine and feminine, as the sense requires. Any reference to successors and assigns of Tenant is not intended to constitute a consent to any assignment by Tenant but has reference only to those instances in which Landlord may give consent to a particular assignment as required by the provisions of Article 15 hereof.

20.12 Complete Agreement

This Lease contains and embraces the entire agreement between the parties hereto and it or any part of it may not be changed, altered, modified, limited, terminated, or extended orally or by any agreement between the parties unless the same is expressed in writing, signed and acknowledged by the parties hereto, their legal representatives, successors or assigns.

20.13 Amendments

This Lease shall not be amended without the mutual agreement of both parties in writing.

20.14 Invalidity of Particular Provisions

If any term or provision of this Lease or the application thereof to any person or circumstances is deemed to any extent to be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

20.15 Relationship of the Parties

Nothing contained herein shall be deemed or construed by the parties hereto nor by any third party as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of computation of rent nor any other provision herein contained, nor any acts of the parties hereto, shall be deemed to create any relationship between the parties hereto other than Landlord and Tenant.

20.16 Waiver

No oral statement or prior written matter shall have any force or effect. No waiver by either party of any breach by the other of any of its obligations, agreements or covenants hereunder shall be deemed to be a waiver of any subsequent breach of the same or any other covenant, agreement or obligation nor shall any forbearance by either party to seek a remedy for any breach by the other be deemed a waiver by either party of its rights or remedies with respect to such breach. The acceptance by Landlord of any rent accruing before or after any default, shall not affect or constitute a waiver of any of Landlord's rights or remedies. The remedies provided in this Lease shall be cumulative and shall not in any way abridge, modify or preclude any other rights or remedies to which Landlord may be entitled either at law or in equity.

20.17 Execution of Lease by Landlord

The submission of this document for examination and negotiation does not constitute an offer to lease, or a reservation of, or option for, the Premises and this document becomes effective and binding only upon the execution and delivery hereof by Landlord and by Tenant. All negotiations, considerations, representations and understandings between Landlord and Tenant are incorporated herein and may be modified and altered only by agreement in writing between Landlord and Tenant, and no act or omission of any employee or other agent of Landlord shall alter, change or modify any of the provisions hereof.

20.18 Survival of Obligations

The obligation of either party to this Lease to pay to the other party any sums due under this Lease to the other party, and/or to perform any other obligations under this Lease, that by the terms of this Lease or by the nature of such obligation(s) are payable or capable of performance only after the expiration or earlier termination of this Lease, or which are incapable of calculation or performance until after the expiration or earlier termination of this Lease, shall survive and remain a continuing obligation until paid or performed by Tenant or Landlord as the case may be.

20.19 Lease Binding

All covenants in this Lease that are binding upon Tenant shall be construed to be equally applicable to and binding upon Tenant's agents, employees and others claiming the right to be in the Premises through or under Tenant. If more than one individual, firm or corporation shall join as Tenant, the singular context shall be construed to be plural wherever necessary, and the obligations of Tenant under this Lease shall be the joint and several obligations of each party signing as Tenant; and, when the parties signing as Tenant are partners, such obligation shall be the joint and several obligations of the firm and of the individual partners thereof. All covenants in this Lease that are binding upon Landlord shall be construed to be equally applicable to and binding upon Landlord's agents, employees and others claiming through or under Landlord. If more than one individual, firm or corporation shall join as Landlord, the singular context shall be construed to be plural wherever necessary, and the obligations of Landlord under this Lease shall be the joint and several obligations of each party signing as Landlord; and, when the parties signing as Landlord are partners, such obligation shall be the joint and several obligations of the firm and of the individual partners thereof.

20.20 Broker

Landlord and Tenant each represent and warrant to the other party that the party making such representation and warranty has not dealt with any broker in connection with this Lease. Landlord and Tenant each covenant and agree to pay, hold harmless and indemnify the other from and against any and all costs, expenses or liability (including reasonable attorneys' fees) with respect to any compensation, commissions or charges claimed by any broker, agent, person or entity with whom the indemnifying party has had any dealings or negotiations or negotiations with respect to this Lease or the negotiation thereof.

20.21 Trash

Tenant shall not allow, suffer or permit the Premises or any use thereof to constitute a nuisance. Tenant shall, at Tenant cost, be responsible for trash removal from the Premises. If Tenant has a dedicated trash container or storage area, then Tenant shall, at its sole cost and expense, be obligated to pay for the cost of the removal of any trash or refuse, and maintenance of the container and its screening. All charges therefor and costs thereof shall be paid by Tenant directly, if possible, to the applicable service provider furnishing such service. In the event said service provider and/or other third party shall bill Landlord for the removal of any trash or refuse, maintenance of the container and its screening, or any other costs associated therewith including any fines or penalties, then Tenant shall reimburse Landlord the full cost thereof with thirty (30) days after notification from Landlord.

20.22 Intentionally deleted

20.23 Intentionally deleted

20.24 Definition of Lease Year and Partial Lease Year

The term "Lease Year" is defined to mean a period of twelve (12) consecutive calendar months commencing on the first day of January. Any portion of the term which is less than a Lease Year shall be deemed a "Partial Lease Year" and computations requiring pro ration shall be made on a per diem basis using a 365 day year. In order to achieve uniformity in the operation of the Property, Landlord reserves the right to designate and change the beginning and ending day of the Lease Year, notice of which shall be given to Tenant.

20.25 Intentionally deleted

20.26 Definition of Index

As used in this Lease, "Index" means the then Consumer Price Index for All Urban Consumers (CPI-U) of the United States Department of Labor's Bureau of Labor Statistics in effect and generally published at the time the computation is to be made. If the aforesaid price Index is no longer published, then another price index, generally recognized as authoritative, shall be substituted by Landlord. During any period while the determination of such a dispute is pending, Tenant shall continue to pay the sum previously in effect; provided, however, that the adjusted sum as finally determined shall be retroactive from the prescribed date and any deficiency owed by Tenant shall be paid promptly upon a final determination of the dispute.

20.27 Intentionally Omitted

20.28 Landlord Default

If Landlord fails to perform any of Landlord's maintenance and repair obligations under this Lease with respect to the Premises only, which failure continues for more than thirty (30) days after Tenant's delivery of written notice to Landlord specifying such failure, subject to force majeure (or such longer period as may be necessary to cure such default so long as Landlord initiates such cure within said thirty (30) day period and diligently pursues the same to completion), Tenant may, in addition to any other remedy available at law or in equity, at its option, incur any reasonable out of pocket expense reasonably necessary to perform the obligation of Landlord specified in such notice and Landlord shall reimburse Tenant for the same within forty-five (45) days after receipt of written demand by Tenant and copies of any such invoices and reasonable supporting documentation of amounts expended. Any cure rights of Tenant under this Section shall be limited to the Premises. Notwithstanding the foregoing, if Landlord responds to Tenant's notice within the thirty (30) day period referenced above stating why Landlord is not obligated to perform any such obligation, then should Tenant proceed to cure, Tenant shall not be entitled to repayment of the amounts expended by Tenant.

20.29 Early Termination Right

Tenant shall have the option to terminate the Lease effective the last day of month in which occurs the eighty-fourth (84th) month anniversary of the Term Commencement Date (the last day of such month is hereinafter referred to as the "Early Termination Date") by written notice ("Termination Notice") by Tenant to Landlord received by Landlord no later than one hundred and eighty (180) days prior to the Early Termination Date, together with Tenant's payment of

\$50,000.00 ("Early Termination Fee") to Landlord to be paid at the time such Termination Notice is provided. The Early Termination Fee shall be in addition to, and not in lieu of, all Fixed Monthly Rent, Additional Rent, and other charges due and payable by Tenant to Landlord under this Lease or accruing under this Lease up to the Early Termination Date. If Tenant fails to provide the Termination Notice and/or Early Termination Fee in a timely manner, then Tenant's termination right under this Section 20.29 shall be deemed null and void and of no further force and effect.

If Tenant validly exercises its termination option under this Section 20.29, all Fixed Monthly Minimum Rent, Additional Rent, and other charges due and payable by Tenant to Landlord under this Lease or accruing under this Lease up through and until the Early Termination Date shall be paid up to Landlord, Tenant will not be liable for any amounts accruing for the remainder of the Term under this Lease after the Early Termination Date, subject to Section 20.01 hereof.

If, at any time during the period after Tenant's exercise of its termination option under this Section 20.29 up to and including the Early Termination Date, Tenant is in default under this Lease, Tenant shall cure such default(s) within the applicable period of notice and grace or cure (if any) specified in this Lease and such obligation of Tenant to cure such default(s) shall survive the Early Termination Date.

If Tenant exercises its termination option under this Section 20.29, Tenant shall not assign this Lease, or sublet all or any portion of the Premises (or make any request to Landlord for Landlord's consent to any such assignment or subletting) after Tenant's exercise of its early termination option under this Section 20.29.

If Tenant duly exercises its early termination option under this Section 20.29, and satisfies all of its obligations under this Lease including all obligations under this Section 20.29, this Lease shall cease and expire on the Early Termination Date with the same force and effect as if the Early Termination Date were the date originally provided in this Lease as the expiration date of the term of this Lease. In such event, Tenant covenants and agrees to vacate the Premises on or before the Early Termination Date and surrender full possession of the Premises to Landlord on or before the Early Termination Date in good order and condition, broom-clean, and in compliance with all terms and provisions of this Lease, reasonable wear and tear and damage by casualty or condemnation excepted. If Tenant fails to comply with its obligations under the preceding sentence, Tenant shall be deemed to be a holdover tenant and such holdover tenancy shall be governed by the terms and provisions of this Lease.

20.30 Smoking Area

In addition, subject to the terms and conditions hereinafter set forth, Tenant may during the term of this Lease (and any renewals thereof) have the non-exclusive license to use an exterior area, adjacent to and immediately outside the Premises as a smoking area for Tenant's employees ("Smoking Area").

Tenant's use of the Smoking Area shall be subject to the following terms and conditions:

- (i) The exact location of the Smoking Area shall be subject to Landlord's consent, which consent shall not be unreasonably withheld or delayed. Tenant acknowledges and agrees that pedestrian traffic shall not be impeded by the Smoking Area;
- (ii) Tenant must obtain the prior written consent and approval of the governmental authorities having jurisdiction thereof (including consent to all signage Tenant desires to place in the Smoking Area), and must provide Landlord with copies of all such consents and approvals obtained by Tenant that are necessary to permit the Tenant to use the Smoking Area;
- (iii) Landlord agrees to cooperate, at Tenant's expense, with Tenant in obtaining such consents and approvals described above; however, Landlord shall not be bound to execute any document if Tenant is in default under the terms of this Lease beyond any applicable notice and cure period;
- (iv) Landlord shall have no obligation or responsibility to create the Smoking Area and Tenant shall install all furniture (i.e., tables and chairs) at its sole cost and expense and thereafter clean, maintain and secure the Smoking Area at its expense; and
- (v) Tenant's license to use the Smoking Area shall automatically terminate upon the earlier of (A) the termination of this Lease or (B) a default by Tenant beyond the applicable grace period of any term, condition or covenant contained in this Lease or (C) for "cause," which for purposes herein shall be any of the following instances: (i) the local municipality mandates closure; (ii) Tenant's use of the Smoking Area causes economic harm to Landlord in Landlord's sole but reasonable discretion (e.g., the need for increased parking spaces throughout the Property); or (iii) Tenant's Smoking Area operation fails to adhere to the standards of a first-class property (revocation in this particular instance shall be subject to notice and reasonable opportunity to cure).

After Tenant has obtained the aforesaid consents and approvals and properly provided Landlord with copies thereof, Tenant may use the Smoking Area in conjunction with Tenant's permitted use of the Premises.

Landlord may install at Tenant's expense any barrier around the Smoking Area that may be reasonably required by Landlord or by any governmental authority having jurisdiction thereof.

Any tables, seating facilities and other movable fixtures (the "Facilities") Tenant may want to install in the Smoking Area shall be subject to prior approval by Landlord in writing and upon such terms and conditions as may be reasonably determined by Landlord.

Tenant shall remove the Facilities and any barriers installed by Tenant, and all other items located in or around the Smoking Area forthwith after Tenant ceases to permanently use such Smoking Area. Tenant acknowledges and agrees that any destruction, damage, theft, or vandalism of or to such Facilities shall be the sole responsibility of Tenant.

Tenant shall keep the Smoking Area and the Facilities clean and in good repair at all times. Tenant shall make arrangements for security, janitorial and maintenance services to be performed to the Smoking Area on a regular basis with reputable contractors or employees of Tenant. If Tenant does not maintain a standard of cleanliness and repair within the Smoking Area reasonably

satisfactory to Landlord, Landlord shall have the right, after Tenant's receipt of 24 hours' prior written notice, to clean or repair or cause to be cleaned or repaired the Smoking Area, and the cost of cleaning or repairing the Smoking Area shall be paid by Tenant to Landlord forthwith upon demand as Additional Rent.

Tenant shall indemnify Landlord and hold it harmless from and against all losses, claims, actions, damages, liability, and expenses in connection with loss of life, personal injury, damage to property, or any other loss or injury whatsoever caused by Tenant, its agents, contractors or employees arising from or out of the Smoking Area and Tenant's use thereof.

Tenant's use of the Smoking Area is subject to such other terms, covenants and conditions of the Lease as Landlord considers applicable from time to time, including, without limitation, the default provisions of the Lease, and any provisions obligating Tenant to comply with the requirements of all governmental authorities having jurisdiction thereof.

Tenant shall be liable for all utility charges incurred with respect to the Smoking Area and all out-of-pocket costs and expenses incurred for security, cleaning and maintenance by Landlord as a result of the Tenant's failure to maintain the Smoking Area in accordance with the terms hereof, together with all other costs, claims, damages, or expenses due to or arising from the use and operation of the Smoking Area.

NOTE: If there is a tax-exempt financing of all or a portion of the project cost, there is a neutral cost/benefit because of lower interest rates by reason of exclusion of interest from gross income of bondholders for purposes of Federal and State income taxes. Taxable financing carries the same cost/benefit for State Income Tax purposes. Such cost/benefits cannot be quantified.
