WHEREAS, to aid the Agency in determining whether the Project may have a significant effect upon the environment, the Agency has reviewed documentation including a Short Environmental Assessment Form dated May 2023 prepared by ONX3, LLC and a Short Environmental Assessment Form dated March 2024 prepared by the Company (collectively, the "SEAFs"), both of which are on file at the office of the Agency, and such other documentation as the Agency deemed appropriate; and

WHEREAS, pursuant to the Regulations, the Agency has examined such documentation in order to make a determination as to the potential environmental significance of the Project.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE ONEIDA COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. Based on an examination of the Application, the documentation referenced above, including the SEAFs, and based further upon the Agency's knowledge of the area surrounding the Facility and such further investigation of the Project and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings and determinations with respect to the Project:

- (A) The Project is as described in the Application;
- (B) The Project constitutes an "Unlisted Action" (as defined in the Regulations);
- (C) No potentially significant impacts on the environment are noted in the documents pertaining to the Project, including the SEAFs, and none are known to the Agency;

- (F) The Project will not conflict with the community's current plans or goals as officially approved or adopted;
- (G) The Project will not result in the impairment of the character or quality of important historical, archeological, architectural, or aesthetic resources or of existing community or neighborhood character;
- (H) The Project will not result in a major change in the use of either the quantity or type of energy;
- (I) The Project will not result in the creation of a hazard to human health;

(J) The Project will not result in a substantial change in the use, or intensity of use, of land including architectural, open space or recreational resources, or in its capacity to support existing uses;

(K) The Project will not result in encouraging or attracting of a large number of people to a place or places for more than a few days, compared to the number of people who would come to such place absent the action;

(L) The Project will not result in the creation of a material demand for other actions that would result in one or more of the above consequences;

(M) The Project will not result in changes in two or more elements of the environment, no one of which has a significant impact on the environment, but when considered together result in a substantial adverse impact on the environment; and

(N) The Project will not result in two or more related actions undertaken, funded or approved by an agency, none of which has or would have a significant impact on the environment, but when considered cumulatively would meet one or more of the criteria in 6 NYCRR Section 617.7(c).

Section 2. The Agency hereby determines that the Project will not have a significant impact on the environment and the Agency will not require the preparation of an environmental impact statement with respect to the Project. The Agency has prepared a negative declaration with respect to the Project which describes the basis for its decision that the Project will not have a significant impact on the environment.

RE: *Oneida County Industrial Development Agency Lease-Leaseback Transaction
(All Seasonings Ingredients, Inc. Facility)*

Ladies and Gentlemen:

Pursuant to a resolution duly adopted on March 26, 2024, the Agency appointed All Seasonings Ingredients, Inc. (the "Company") its agent in connection with a transaction in which the Agency will assist in renovation of a 63,000± square foot building, loading docks and parking lot (collectively, the "Improvements") situated on a 7.24± acre parcel of land located at 102 East Seneca Street, Suite 715, City of Sherrill, Town of Vernon, Oneida County, New York (the "Land") and acquisition and installation of equipment in the Improvements (the "Equipment"), all to be used for the purpose of importing, manufacturing and distributing high quality spices and ingredients (the Land, the Improvements and the Equipment referred to collectively as the "Facility" and the acquisition, renovation and equipping of the Facility is referred to collectively as the "Project").

This appointment includes authority to purchase on behalf of the Agency all materials to be incorporated into and made an integral part of the Facility, and the following activities as they relate to any acquisition, renovation, equipping and completion of any buildings, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of such buildings: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquisition, renovation and equipping; (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with acquisition, renovation and equipping; and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs), installed or placed in, upon or under such building, including all repairs and replacements of such property.

The Agency will appoint the Company as its only direct agent for the Project. The agency appointment includes the power of the Company to delegate such agency appointment, in whole or in part, to agents, subagents, contractors, subcontractors, materialmen, suppliers and vendors of the Company and to such other parties as the Company chooses so long as they are engaged, directly or indirectly, in the activities hereinbefore described. Please advise the Executive Director of the Agency if you wish to appoint a contractor or other subagent, and the Agency will issue an ST-60 to that party.

In exercising this agency appointment, you and each of your properly appointed agents and subagents must claim the sales tax exemption for all purchases by giving your vendors New York State Form ST-123. The supplier or vendor should identify the Facility on each bill or invoice as the "**All Seasonings Ingredients, Inc. Facility**" and indicate thereon that the Company, its agents, subagents, contractors and subcontractors acted as agent for the Agency in making the purchase.

You and each of your agents, subagents, contractors and/or subcontractors claiming a sales tax exemption in connection with the Facility must complete a New York State Department of Taxation and Finance Form ST-60. Original copies of each completed Form ST-60 must be delivered to the Agency within five (5) days of the appointment of each of your agents, subagents, contractors or subcontractors. Any agent, subagent, contractor or subcontractors of the Company which delivers completed Form ST-60 to the Agency will be deemed to be the agent, subagent, contractor or subcontractor of the Agency for purposes of constructing and equipping the Facility, and shall only then be authorized to use Form ST-123 as described above. Failure to comply with these requirements may result in loss of sales tax exemptions for the Facility.

It is important to note that contractors and subcontractors who have not been appointed subagent cannot use the sales tax exemption for equipment rental, tools, supplies and other items that do not become part of the finished project. Contractors and subcontractors must be appointed as agent or sub-agent of the Agency to use the Agency sales tax exemption for these purchases. Contractors and subcontractors who have not been appointed a subagent and are making purchases that would otherwise be exempt outside of the Agency's interest in the Facility must claim the sales tax exemption for construction materials by giving their vendors a completed "Contractor Exempt Purchase Certificate" (Form ST-120.1) checking box (a).

The aforesaid appointment of the Company as agent of the Agency to construct and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, or (b) March 26, 2025, provided, however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold its consent to the extension of such appointment.

The value of the sales tax to be abated relating to the construction and equipping of the Facility currently authorized by the Agency is not to exceed \$70,153. The Agency is required by law to recapture any New York State sales tax exemptions claimed by the Company that exceed \$70,153 for purchases made relating to the Project in the aggregate.

You should be aware that the New York State General Municipal Law requires you to file an Annual Statement (Form ST-340) with the New York State Department of Taxation and

Finance regarding the value of sales tax exemptions you, your agents, consultants or subcontractors have claimed pursuant to the authority we have conferred on you with respect to the Project. We are providing a form of a worksheet for you to track all exempt purchases made in completing the Project, using Forms ST-123 or Form ST-120.1. Please provide the Agency with a copy of Form ST-340 along with your annual report to the Agency and this worksheet. The penalty for failure to file such statement, or to provide a copy to the Agency, is the removal of your authority to act as an agent.

If, for some reason, this transaction never closes, you will be liable for payment of the sales tax, if applicable and you are not otherwise exempt, on all materials purchased.

Please sign and return a copy of this letter for our files. The Agency will issue and deliver Form ST-60 to you upon receipt of this signed agency appointment letter. The Agency reserves the right to issue a revised agency appointment letter with respect to the process for utilizing and reporting exemptions hereunder.
