WHEREAS, Hangar Road 2 LLC, on behalf of itself and/or the principals of Hangar Road 2 LLC and/or an entity formed or to be formed on behalf of any of the foregoing (collectively, the "Company") has requested the Oneida County Industrial Development Agency (the "Agency") assist with a project consisting of (a) acquisition of a 7.425± acre parcel of vacant land located at 147 Hangar Road, Griffiss Business and Technology Park, City of Rome, Oneida County, New York (the "Land"); (b) construction on the Land of a 102,000± square foot, three-story office building, together with all infrastructure, parking lots, sidewalks and landscaping to service the same (collectively, the "Improvements"); and (c) acquisition and installation of equipment in the Improvements (the "Equipment"), all to be used for the purpose of retaining employment in Oneida County by providing desirable space to a single tenant that provides back office operations (the Land, the Improvements and the Equipment referred to collectively as the "Facility" and the acquisition, construction and equipping of the Facility is referred to collectively as the "Project"); and

WHEREAS, the Company will lease the Facility to the Agency pursuant to a Lease Agreement (the "Lease Agreement"); and

WHEREAS, the Agency will lease the Facility back to the Company pursuant to a Leaseback Agreement (the "Leaseback Agreement"); and

WHEREAS, the Company will further sublease the Facility to a company that is currently based in Oneida County that wishes to relocate its operations (the "Sublessee") for its operation pursuant to a Sublease Agreement (the "Sublease Agreement"); and

WHEREAS, the Company has disclosed to the Agency on a confidential basis the identity of the Sublessee insofar as the information has not yet been made public; and

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, the Agency contemplates that it will provide financial assistance to the Company in support of the Project in the form of exemptions from sales and use taxes and exemptions from mortgage recording taxes (the "Financial Assistance"), which financial assistance is consistent with the Agency's Uniform Tax Exemption Policy, and which will be more particularly set forth in a final authorizing resolution; and

WHEREAS, based upon representations made by the Company in the Application, the value of the Financial Assistance is described as follows:

- Sales and use tax exemption not to exceed \$645,730
- Mortgage recording tax exemption not to exceed \$206,187

WHEREAS, the Company has committed to retain (or cause the Sublessee to retain) the Sublessee's existing 400 FTEs at the Facility for the three-year term of the Leaseback Agreement as a result of undertaking the Project, and the Agency will condition the proposed Financial Assistance on the Company achieving the same (the "Employment Obligation"), or else be subject to recapture or termination of Financial Assistance relating to the Project; and

WHEREAS, prior to the closing of a lease-leaseback transaction, and the granting of any Financial Assistance, a public hearing (the "Hearing") will be held so that all persons with views in favor of or opposed to either the Financial Assistance contemplated by the Agency, or the location or nature of the Facility, can be heard; and

WHEREAS, notice of the Hearing will be given prior to the closing of a lease-leaseback transaction, and the granting of any Financial Assistance, and such notice (together with proof of publication) will be substantially in the form annexed hereto as **Exhibit A**; and

WHEREAS, the minutes of the Hearing are or will be annexed hereto as **Exhibit B**; and

WHEREAS, the Project will result in the removal or abandonment of the Sublessee's current facility that it leases and is located in the Town of Whitestown, Oneida County, New York; and

WHEREAS, the Company has represented that (a) the Sublessee's current facility no longer meets the Sublessee's long-term operational needs, and the Sublessee will be required to vacate the current facility upon the expiration of the lease in 2028 pursuant to corporate directives and (b) the Agency's financial assistance is necessary to preserve the Sublessee's competitive position by enabling the Company to construct a cost-effective, modern facility that supports efficient operations; and

WHEREAS, the Agency has given due consideration to the application of the Company and to representations by the Company that the proposed lease-leaseback transaction is either an inducement to the Sublessee to maintain and expand its facility and existing workforce in the County and/or is necessary to maintain the competitive position of the Sublessee in its industry; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively, the "SEQR Act" or "SEQRA"), the Agency constitutes a "State Agency"; and

WHEREAS, to aid the Agency in determining whether the Facility may have a significant effect upon the environment, the Company has prepared and submitted to the Agency an Environmental Assessment Form and related documents (the "Questionnaire") with respect to the Facility, a copy of which is on file at the office of the Agency; and

WHEREAS, prior to the granting of any Financial Assistance and following the determination of the lead agency, the Agency has completed its environmental review and made determinations for purposes of SEQRA.

NOW, THEREFORE, BE IT RESOLVED by the Oneida County Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

- Section 1.
- (a) The Project constitutes a "project" within the meaning of the Act.
 - (b) The Project and the Agency's Financial Assistance therefor, will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act and the same is, therefore, approved.

- (c) It is desirable and in the public interest for the Agency to enter into a lease-leaseback transaction for the purpose of providing financial assistance for the Project, as reflected in the Company's application to the Agency as may be amended from time to time prior to the closing of the lease-leaseback transaction.
- (d) The Project is reasonably necessary to (a) discourage the Sublessee from moving out of Oneida County and (b) preserve the Sublessee's competitive position in its industry.

Section 2.

The form and substance of a proposed inducement agreement (in substantially the form presented to this meeting) by and among the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the closing of the lease-leaseback transaction, and the completion of the Facility (the "Agreement") is hereby approved. The Chairman of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, with such changes in terms and form as the Chairman shall approve. The execution thereof by the Chairman shall constitute conclusive evidence of such approval.

Section 3.

The Agency shall assist the Company in the Project and will provide the Financial Assistance with respect thereto subject to (i) obtaining all necessary governmental approvals, (ii) approval of the members of the Company, (iii) approval of the members of the Agency, (iv) the Agency providing written notice to the chief elected officials of the tax jurisdictions at the Sublessee's existing facility that the Project will entail the abandonment of the Sublessee's existing facility; (v) agreement by the Agency and the Company upon mutually acceptable terms and conditions for the Leaseback Agreement and other documentation usual and customary to transactions of this nature, (vi) the condition that there are no changes in New York State Law which prohibit or limit the Agency from fulfilling its obligation and commitment as herein set forth to enter into the lease-leaseback transaction and (vii) payment by the Company of the Agency's transaction fee and the fees and disbursements of transaction counsel, more particularly described in the Inducement Agreement.

Section 4.

The Company is herewith and hereby appointed the agent of the Agency to construct, equip and complete the Facility. The Company is hereby empowered to delegate its status as agent of the Agency

to the agents, subagents, contractors, subcontractors, materialmen, suppliers, vendors and such other parties as the Company may choose in order to construct, equip and complete the Facility. The terms and conditions for the appointment of the Company as agent of the Agency for the purposes described in this resolution are set forth in the form of the attached letter addressed to the Company, marked as **Exhibit A** to this resolution. The form of such letter is incorporated herein by reference and is approved and adopted by the Agency, and the Chairman or Executive Director of the Agency or any other duly authorized official of the Agency are authorized to execute and deliver such letter to the Company upon satisfaction of the conditions described in Section 3 hereof. The Agency hereby appoints the Company, the agents, subagents, contractors, subcontractors, materialmen, vendors and suppliers of the Company as agents of the Agency solely for purposes of making sales or leases of goods, services, and supplies to the Facility, and any such transaction between any agent, subagent, contractor, subcontractor, materialmen, vendor or supplier, and the Company, as agent of the Agency shall be deemed to be on behalf of the Agency and for the benefit of the Facility. The Company shall indemnify the Agency with respect to any transaction of any kind between and among the Company, the Company, the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company, as agent of the Agency.

Section 5. The law firm of Bond, Schoeneck & King, PLLC is appointed Transaction Counsel in connection with the lease-leaseback transaction.

Section 6. Counsel to the Agency and Transaction Counsel are hereby authorized to work with counsel to the Company and others to prepare, for submission to the Agency, all documents necessary to effect the lease-leaseback transaction.

Section 7. The Chairman of the Agency is hereby authorized and directed to distribute copies of this resolution to the Company and to the affected tax jurisdictions and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 8. This resolution shall take effect immediately.

I FURTHER CERTIFY that (i) all members of the Agency had due notice of said meeting, (ii) the meeting was open for the public to attend and public notice of the date, time and location for the meeting was duly given, (iii) the meeting in all respects was duly held, and (iv) there was a quorum present throughout the meeting.

RE: *Oneida County Industrial Development Agency Lease-Leaseback Transaction
(Hangar Road 2 LLC Facility)*

Dear Ms. Mathias:

Pursuant to a resolution duly adopted on January 16, 2026, the Agency appointed Hangar Road 2 LLC (the "Company") its agent in connection with a transaction in which the Agency will assist in (a) acquisition of a 7.425± acre parcel of vacant land located at 147 Hangar Road, Griffiss Business and Technology Park, City of Rome, Oneida County, New York (the "Land"); (b) construction on the Land of a 102,000± square foot, three-story office building, together with all infrastructure, parking lots, sidewalks and landscaping to service the same (collectively, the "Improvements"); and (c) acquisition and installation of equipment in the Improvements (the "Equipment"), all to be used for the purpose of retaining employment in Oneida County by providing desirable space to a single tenant that provides back office operations (the Land, the Improvements and the Equipment referred to collectively as the "Facility" and the acquisition, construction and equipping of the Facility is referred to collectively as the "Project").

This appointment includes authority to purchase on behalf of the Agency all materials to be incorporated into and made an integral part of the Facility, and the following activities as they relate to any construction, equipping and completion of any buildings, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of such buildings: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with construction and equipping (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description used in connection with construction and equipping and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs), installed or placed in, upon or under such building, including all repairs and replacements of such property.

The Agency will appoint the Company as its only direct agent for the Project. The agency appointment includes the power of the Company to delegate such agency appointment, in whole or in part, to agents, subagents, contractors, subcontractors, materialmen, suppliers and vendors of the Company and to such other parties as the Company chooses so long as they are engaged, directly or indirectly, in the activities hereinbefore described. Please advise the Executive Director of the Agency if you wish to appoint a contractor or other subagent, and the Agency will issue an ST-60 to that party.

In exercising this agency appointment, you and each of your properly appointed agents and subagents must claim the sales tax exemption for all purchases by giving your vendors New York State Form ST-123. The supplier or vendor should identify the Facility on each bill or invoice as the "**Hangar Road 2 LLC Facility**" and indicate thereon that the Company, its agents, subagents, contractors and subcontractors acted as agent for the Agency in making the purchase.

You and each of your agents, subagents, contractors and/or subcontractors claiming a sales tax exemption in connection with the Facility must complete a New York State Department of Taxation and Finance Form ST-60. Original copies of each completed Form ST-60 must be delivered to the Agency within five (5) days of the appointment of each of your agents, subagents, contractors or subcontractors. Any agent, subagent, contractor or subcontractors of the Sublessee which delivers completed Form ST-60 to the Agency will be deemed to be the agent, subagent, contractor or subcontractor of the Agency for purposes of constructing and equipping the Facility, and shall only then be authorized to use Form ST-123 as described above. Failure to comply with these requirements may result in loss of sales tax exemptions for the Facility.

It is important to note that contractors and subcontractors who have not been appointed subagent cannot use the sales tax exemption for equipment rental, tools, supplies and other items that do not become part of the finished project. Contractors and subcontractors must be appointed as agent or sub-agent of the Agency to use the Agency sales tax exemption for these purchases. Contractors and subcontractors who have not been appointed a subagent and are making purchases that would otherwise be exempt outside of the Agency's interest in the Facility must claim the sales tax exemption for construction materials by giving their vendors a completed "Contractor Exempt Purchase Certificate" (Form ST-120.1) checking box (a).

The aforesaid appointment of the Company as agent of the Agency to construct and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, or (b) January 16, 2027, provided, however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold its consent to the extension of such appointment. The value of the sales tax to be abated relating to the construction and equipping of the Facility currently authorized by the Agency is not to exceed \$645,730, provided, however, such value may be increased at the discretion of the Agency, upon the written request of the Company accompanied by a revised Project budget.

In accordance with Section 875(3) of the General Municipal Law, the policies of the Agency, and the Resolution, the Company may be subject to recapture of any and all sales and use tax exemptions if it is determined by the Agency that: (a) the Company or its subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales

and use tax exemption benefits; or (b) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or (c) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (d) the Company has knowingly made a material false or misleading statement, or knowingly omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance.

You should be aware that the New York State General Municipal Law requires you to file an Annual Statement (Form ST-340) with the New York State Department of Taxation and Finance regarding the value of sales tax exemptions you, your agents, consultants or subcontractors have claimed pursuant to the authority we have conferred on you with respect to the Project. We are providing a form of a worksheet for you to track all exempt purchases made in completing the Project, using Forms ST-123 or Form ST-120.1. Please provide the Agency with a copy of Form ST-340 along with your annual report to the Agency and this worksheet. The penalty for failure to file such statement, or to provide a copy to the Agency, is the removal of your authority to act as an agent.

If, for some reason, this transaction never closes, you will be liable for payment of the sales tax, if applicable and you are not otherwise exempt, on all materials purchased.

Please sign and return a copy of this letter for our files. The Agency will issue and deliver Form ST-60 to you upon receipt of this signed agency appointment letter. The Agency reserves the right to issue a revised agency appointment letter with respect to the process for utilizing and reporting exemptions hereunder.

Very truly yours,
