AGREEMENT

NOW THEREFORE, for and in consideration of the premises and the mutual covenants hereinafter contained, and other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the parties hereby formally covenant, agree and bind themselves as follows:

Section 1.1 Representations and Covenants of Agency.

The Agency makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Agency is duly established and validly existing under the provisions of the Act and has full legal right, power and authority to execute, deliver, and perform each of the Agency Documents and the other documents contemplated thereby. Each of the Agency Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Agency.

(b) The Agency will take a leasehold interest in the Facility, lease the Facility to the Company pursuant to this Leaseback Agreement and designate the Company as its agent for purposes of the Project, all for the purpose of promoting the industry, health, welfare, convenience and prosperity of the inhabitants of the State and the County of Oneida and improving their standard of living.

(c) By resolution adopted on July 25, 2025, the Agency determined that, based upon the review by the Agency of the materials submitted and the representations made by the Company relating to the Facility, the Facility would not have a "significant impact" or "significant effect" on the environment within the meaning of the SEQRA Act.

(d) Neither the execution and delivery of any of the Agency Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Agency Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Act, any other law or ordinance of the State or any political subdivision thereof or of the Agency's Certificate of Establishment or Bylaws, as amended, or of any corporate restriction or any agreement or instrument to which the Agency is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Agency under the terms of the Act or any such law, ordinance, Certificate of Establishment, Bylaws, restriction, agreement or instrument.

(e) Each of the Agency Documents and the other documents contemplated thereby constitutes a legal, valid and binding obligation of the Agency enforceable against the Agency in accordance with its terms.

(f) The Agency has been induced to enter into this Leaseback Agreement by the undertaking of the Company to acquire, construct, renovate, equip, maintain and repair the Facility and to encourage the generation of clean energy in Oneida County, New York.

Section 1.2 Representations and Covenants of Company.

The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:

(a) The Company is a limited liability company duly organized and validly existing under the laws of the State of New York, and has full legal right, power and authority to execute, deliver and perform each of the Company Documents and the other documents contemplated thereby. Each of the Company Documents and the other documents contemplated thereby has been duly authorized, executed and delivered by the Company and each constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms, except to the extent that such enforceability may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement rights of creditors generally.

(b) Neither the execution and delivery of any of the Company Documents and the other documents contemplated thereby nor the consummation of the transactions contemplated thereby nor the fulfillment of or compliance with the provisions of any of the Company Documents and the other documents contemplated thereby, will conflict with or result in a breach of or constitute a default under any of the terms, conditions or provisions of the Articles of Organization of the Company, the Operating Agreement of the Company, any law or ordinance of the State or any political subdivision thereof, or any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or result in the creation or imposition of any Lien of any nature upon any of the Property of the Company under the terms of any such law, ordinance, restriction, agreement or instrument.

(c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of an industrial or manufacturing plant, facility or other commercial activity of the Company from one area of the State to another area of the State nor result in the abandonment of one or more commercial or manufacturing plants or facilities of the Company located within the State; to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

(d) The Facility and the design, construction, equipping and operation thereof will conform with all applicable zoning, planning, building and environmental laws, ordinances, rules and regulations of governmental authorities having jurisdiction over the Facility in all material respects. The Company shall defend, indemnify and hold harmless the Agency for reasonable expenses, including reasonable attorneys' fees, resulting from any failure of the Company to comply with the provisions of this subsection (d), provided however the Agency may elect to defend itself in connection therewith, the cost of which (including, without limitation, reasonable attorney fees) shall be paid by the Company.

(e) The Company has caused to be transferred to the Agency a leasehold interest in all those properties and assets contemplated by this Leaseback Agreement and all documents related hereto, and has not transferred to the Agency any properties and assets not contemplated by this Leaseback Agreement.

(f) There is no action, litigation, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending, or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way materially diminish or materially and adversely impact on the Company's ability to fulfill its obligations under this Leaseback Agreement or any of Company Documents or the transactions contemplated therein.

(g) The Company covenants that the Facility will comply in all material respects with all environmental laws and regulations and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (except the Company), representatives, successors and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties and reasonable expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section, provided however the Agency may elect to defend itself in connection therewith, the cost of which (including, without limitation,

reasonable attorney fees) shall be paid by the Company. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the reasonable expenses of same to the Agency upon demand, and agrees that upon failure to do so, its obligation for such expense shall be deemed to be additional rent.

(h) In its Application for Financial Assistance dated July 1, 2025, the Company made representations that it would construct, equip and operate the Project as described in the Application (the "Project Obligation"). The Company acknowledges that the financial assistance granted by the Agency in connection with the Facility is conditioned upon the Company completing the Project as described in the Project Obligation, and failure to achieve and maintain the Project Obligation for the term of the Leaseback Agreement could subject the Company to termination or recapture of Financial Assistance.

(d) Except as provided in Sections 5.3 and 7.1 hereof, the Agency shall neither take nor suffer or permit any action to prevent the Company during the Lease Term from having quiet and peaceable possession and enjoyment of the Facility and will, at the request of the Company and at the Company's cost, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Facility as hereinabove provided.

Section 2.6 Rents and Other Amounts Payable.

(a) The Company shall pay basic rent for the Facility as follows: Two Thousand Dollars (\$2,000.00) per year commencing on the Closing Date and on the First Business Day of each and every January thereafter during the Lease Term which is in lieu of any other annual administrative fee that the Agency could charge in connection herewith.

Section 2.7 Obligations of Company Hereunder Unconditional. The obligations of the Company to make the payments required in Section 2.6 hereof, and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company, and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment or counterclaim it may otherwise have against the Agency or any other Person. The Company from time to time may remove or permit the removal of such machinery, equipment and other personal property from the Facility, provided that any such removal of such machinery, equipment or other personal property shall not occur (i) if any such removal shall adversely affect the structural integrity of the Facility or impair the overall operating efficiency of the Facility for the purposes for which it is intended, and provided further, that if any damage is occasioned to the Facility by such removal, the Company agrees to promptly repair such damage at its own expense; or (iii) if any such removal results in the Facility to not constitute a "Project" as such term is defined in the Act.

In the event of any such proceedings, the Company may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such proceedings and any appeal therefrom, provided, however, that (i) neither the Facility nor any part thereof or interest therein would be in any immediate danger of being sold, forfeited or lost by reason of such proceedings and (ii) the Company shall have set aside on its books adequate reserves with respect thereto and shall have furnished such security, if any, as may be required in such proceedings or requested by the Agency.

(c) The Agency agrees that if it or the Company contests any taxes, assessments or other charges provided for in paragraph (b) hereof, all sums returned, as a result thereof, will be promptly transmitted by the Agency to the Company and that the Company shall be entitled to retain all such amounts.

Once the Mortgage (if any) has been released, the proceeds shall be applied as follows: (i) the proceeds of the insurance required by Sections 3.4(a) and (e) hereof shall be applied as provided in Section 4.1 hereof, and (ii) the proceeds of the insurance required by Sections 3.4(b), (c), and (d) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 3.7 Right of Agency to Pay Taxes, Insurance Premiums and Other Charges.

If the Company fails (i) to pay any tax, together with any fine, penalty, interest or cost which may have been added thereto or become due or been imposed by operation of law for nonpayment thereof, or payments-in-lieu-of-taxes pursuant to the PILOT Agreement, assessment or other governmental charge required to be paid by Section 3.3 hereof, (ii) to maintain any insurance required to be maintained by Section 3.4 hereof, (iii) to pay any amount required to be paid by any law or ordinance relating to the use or occupancy of the Facility or by any requirement, order or notice of violation thereof issued by any governmental person, (iv) to pay any mechanic's Lien which is recorded or filed against the Facility or any part thereof (unless contested in accordance with the provision of Section 5.7(b) hereof), (v) to pay any real property transfer gains tax, together with any interest and penalties thereon, which is due and payable by reason of a conveyance of the leasehold estate in and to the Facility pursuant to a judicial sale in any foreclosure action or by deed and/or assignment in lieu of foreclosure or (vi) to pay any other amount or perform any act hereunder required to be paid or performed by the Company hereunder, including but not limited to the Host Community Payment, the Agency may but shall not be obligated to pay or cause to be paid such tax or payments-in-lieu-of-tax pursuant to the PILOT Agreement, assessment or other governmental charge or the premium for such insurance or any such other payment or may perform any such act. No such payment shall be made or act performed by the Agency until at least twenty (20) business days shall have elapsed since notice shall have been given by the Agency to the Company, and in the case of any tax, assessment or governmental charge or the amounts specified in paragraphs (iii), (v) and (vi) hereof, no such payment shall be made in any event if the Company is contesting the same in good faith to the extent and as permitted by this Leaseback Agreement. Notwithstanding the provisions of this Section 3.7, if, because of the Company's failure to make payments as described in this Section 3.7, either the Agency, or any of its respective members, directors, officers, agents (except the Company), or employees, shall be threatened with a fine, liability, expense or imprisonment, then the Agency may immediately make payment on behalf of the Company in avoidance thereof. No such payment by the Agency shall affect or impair any rights of the Agency hereunder arising in consequence of such failure by the Company. The Company shall, on demand, reimburse the Agency for any amount so paid or for reasonable expenses or costs incurred in the performance of any such act by the Agency pursuant to this Section (which shall include all legal fees and disbursements), together with interest thereon from the date of payment of such amount, expense or cost by the Agency at one percent above the prime rate as established by Bank of America, but in no event more than to the extent permitted by law.

Section 3.8 Decommissioning Security. The Company shall provide the Agency evidence that it has provided the Host Community with the Decommissioning Security prior to the commencement of the Construction Period. The Company shall maintain the

Decommissioning Security in full force and effect for the duration of the Lease Term. The Company shall provide such further information with respect to the Decommissioning Security as the Agency may from time to time reasonably require.

ARTICLE IV

Section 4.1 Damage or Destruction of the Facility.

(a) If the Facility or any part or component shall be damaged or destroyed (in whole or in part) at any time during the Lease Term:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the Facility; and

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Leaseback Agreement (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated); and

(iii) upon the occurrence of such damage or destruction, the net proceeds derived from the insurance shall be paid in accordance with the terms of the Mortgage (if any), so long as the Mortgage is in effect. After the release of the Mortgage (if any), the proceeds derived from the insurance shall be paid to the Company, except as otherwise provided in Section 8.1 and subsection (d) hereof.

(b) Any replacements, repairs, rebuilding, restorations or relocations of the Facility by the Company after the occurrence of such damages or destruction shall be subject to the following conditions:

(i) the Facility shall be in substantially the same condition and value as an operating entity as existed prior to the damage or destruction;

(ii) the Facility shall continue to constitute a "project" as such term is defined in the Act; and

(iii) the Facility will be subject to no Liens, other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Facility as if the same were specifically provided herein.

(d) If the Company shall exercise its option to terminate this Leaseback Agreement pursuant to Section 8.1 hereof such proceeds shall be applied to the payment of the amounts required to be paid by Section 8.2 hereof. If an Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 7.2 hereof such

proceeds shall be applied to the payment of the amounts required to be paid by Section 7.2 and Section 7.4 hereof.

Section 4.2 Condemnation.

(a) If title to or use of the Facility shall be taken by Condemnation (in whole or in part) at any time during the Lease Term:

(i) the Agency shall have no obligation to replace, repair, rebuild, restore or relocate the Facility or acquire, by construction or otherwise, facilities of substantially the same nature as the Facility ("Substitute Facilities"); and

(ii) there shall be no abatement or reduction in the amounts payable by the Company under this Leaseback Agreement (whether or not the Facility is replaced, repaired, rebuilt, restored or relocated or Substitute Facilities acquired); and

(iii) upon the occurrence of such Condemnation, the proceeds derived therefrom shall be paid in accordance with the terms of the Mortgage, if any, so long as the Mortgage is in effect. After the release of the Mortgage, the proceeds derived therefrom shall be paid to the Company except as otherwise provided in Section 8.1 and subsection (d) hereof.

(b) Any replacements, repairs, rebuilding, restorations, relocations of the Facility by the Company after the occurrence of such Condemnation or acquisitions by the Company of Substitute Facilities shall be subject to the following conditions:

(i) the Facility or the Substitute Facilities shall be in substantially the same condition and value as an operating entity as existed prior to the Condemnation;

(ii) the Facility or the Substitute Facilities shall continue to constitute a "project" as such term is defined in the Act; and

(iii) the Facility or the Substitute Facilities will be subject to no Liens, other than Permitted Encumbrances.

(c) All such repair, replacement, rebuilding, restoration or relocation of the Facility shall be effected with due diligence in a good and workmanlike manner in compliance with all applicable legal requirements, shall be promptly and fully paid for by the Company in accordance with the terms of the applicable contracts, and shall automatically become a part of the Facility as if the same were specifically described herein.

(d) If the Company shall exercise its option to terminate this Leaseback Agreement pursuant to Section 8.1 hereof such proceeds shall be applied to the payment of the amounts required to be paid by Section 8.2 hereof. If any Event of Default hereunder shall have occurred and the Agency shall have exercised its remedies under Section 7.2 hereof such proceeds shall be applied to the payment of the amounts required to be paid by Section 7.2 and Section 7.4 hereof.

Section 4.3 Condemnation of Company-Owned Property. The Company shall be entitled to the proceeds of any Condemnation award or portion thereof made for damage to or taking of any Property, which, at the time of such damage or taking, is not part of the Facility.

ARTICLE V

SPECIAL COVENANTS

Section 5.1 No Warranty of Condition or Suitability by Agency.

THE AGENCY MAKES NO WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE CONDITION, TITLE, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS OF THE FACILITY OR THAT IT IS OR WILL BE SUITABLE FOR THE COMPANY'S PURPOSES OR NEEDS.

Section 5.2 Hold Harmless Provisions.

(a) The Company agrees that the Agency, its directors, members, officers, agents (except the Company) and employees shall not be liable for and agrees to defend, indemnify, release and hold the Agency, its directors, members, officers, agents (except the Company) and employees harmless from and against any and all (i) liability for loss or damage to Property or injury to or death of any and all Persons that may be occasioned by, directly or indirectly, any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence of any Person or Property on, in or about the Facility or the Land or (ii) liability arising from or reasonable expense incurred by the Agency's financing, acquiring, constructing, equipping, owning and leasing of the Facility, including without limiting the generality of the foregoing, all claims arising from the breach by the Company of any of its covenants contained herein, and all causes of action and reasonable attorneys' fees and any other reasonable expenses incurred in defending any claims, suits or actions which may arise as a result of any of the foregoing, provided that any such losses, damages, liabilities or expenses of the Agency are not incurred or do not result from the gross negligence or intentional or willful wrongdoing of the Agency, or any of its directors, members, agents (except the Company) or employees. The Agency in its sole discretion may elect to defend itself in connection therewith, the cost of which (including, without limitation, reasonable attorneys' fees) shall be paid by the Company.

(b) Notwithstanding any other provisions of this Leaseback Agreement, the obligations of the Company pursuant to this Section 5.2 shall remain in full force and effect after the termination of this Leaseback Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and payment in full or the satisfaction of such claim, cause of action or prosecution relating to the matters herein described and the payment of all expenses and charges incurred by the Agency, or its respective members, directors, officers, agents and employees, relating to the enforcement of the provisions herein specified.

(c) In the event of any claim against the Agency or its members, directors, officers, agents or employees by any employee or contractor of the Company or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the obligation of the Company hereunder shall not be limited in any way by any limitation on the amount or type of damages, compensation, disability benefits or other employee benefit acts.

Section 5.3 Right to Inspect Facility.

The Agency and the duly authorized agents of the Agency shall have the right at all reasonable times to inspect the Facility. The Agency shall honor and comply with any restricted access policy of the Company relating to the Facility.

Section 5.4 Company to Maintain Its Existence.

The Company agrees that during the Lease Term it will maintain its existence, will not dissolve, liquidate or otherwise dispose of substantially all of its assets and will not consolidate with or merge into another corporation or permit one or more corporations to consolidate with or merge into it, except as otherwise provided for in Section 6.3(a) of this Leaseback Agreement or otherwise.

Section 5.5 Qualification in State.

The Company throughout the Lease Term shall continue to be duly authorized to do business in the State.

Section 5.6 Agreement to File Annual Statements and Provide Information.

The Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full time equivalent jobs retained and the full time equivalent jobs created as a result of the Financial Assistance, by sublessee (if any), by category, including full time equivalent independent contractors or employees of independent contractors that work at the Project location, if any; (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, if any; and (iii) certifying the Project continues to meet its stated goals. Notwithstanding the foregoing, it is acknowledged that no full time equivalent jobs will be created by the Project. The Company shall provide annually to the Agency a certification regarding the nameplate capacity of the Project and whether any changes to the nameplate capacity have been made or copies of the Company's annual reports to NYS/NYSERDA, if any (or such other documentation reasonably acceptable to the Agency) that validates the Project's megawatt production and benefit to the community. If the Company does not provide said annual certified statement to the Agency by the stated due date, a \$500.00 late fee will be charged to the Company for each thirty (30) day period the report is late beyond the due date, up until the time the report is submitted. The Company further agrees whenever requested by the Agency to provide and certify or cause to be provided and certified such information concerning the Company, its finances, its operations and its affairs necessary to enable the Agency to make any report required by law, governmental regulation or any of the Agency Documents.

Section 5.7 Books of Record and Account; Financial Statements.

The Company at all times agrees to maintain proper accounts, records and book in which full and correct entries shall be made, in accordance with generally accepted accounting principles, of all transactions and events relating to the business and affairs of the Company.

Section 5.8 Compliance With Orders, Ordinances, Etc.

(a) The Company, throughout the Lease Term, agrees that it will promptly comply, and cause any sublessee or occupant of the Facility to comply, with all statutes, codes, laws, acts, ordinances, orders, judgments, authorizations, directions and requirements, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof or to the acquisition, construction, renovation and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof, of all federal, state, county, municipal and other governments, departments, commissions, boards, courts, authorities, officials and officers and companies or associations insuring the premises having jurisdiction of the Facility or any part thereof, or to the acquisition, construction and equipping thereof, or to any use, manner of use or condition of the Facility or any part thereof. Nothing in this Leaseback Agreement shall be interpreted to mean that the Agency has any obligation to monitor the use, manner of use, condition or operation of the Facility.

(b) The Company shall construct, renovate, equip, use, operate and manage the Facility, in accordance with all applicable Environmental Laws and Environmental Permits (as such terms are defined in the Environmental Compliance and Indemnification Agreement), and shall cause all operators, tenants, subtenants, licensees and occupants of the Facility to construct, equip, use, operate and manage the Facility in accordance with any applicable Environmental Laws and Environmental Permits, and shall not cause, allow or permit the Facility or any part thereof to be operated or used for the storage, treatment, generation, transportation, processing, handling, production, management or disposal of any Hazardous Substances other than in accordance with all applicable Environmental Laws and Environmental Permits. The Company shall obtain and comply with, and shall cause all contractors, subcontractors, operators, tenants, subtenants, licensees and occupants of the Facility to obtain and comply with, all Environmental Permits. The Company shall not cause or permit any change to be made in the present or intended construction, equipping, use or operation of the Facility which would (i) involve the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance other than in accordance with any applicable Environmental Law, or the renovation, equipping, use or operation of the Facility as a landfill or waste management or disposal site or for manufacturing or industrial purposes or for the storage of petroleum or petroleum based products other than in accordance with any applicable Environmental Law, (ii) violate any applicable Environmental Laws, (iii) constitute a violation or non-compliance with any Environmental Permit or (iv) increase the risk of a Release of any Hazardous Substance (as such terms are defined in the Environmental Compliance and Indemnification Agreement). The Company shall promptly provide the Agency with a copy of all notifications which the Company gives or receives with respect to environmental conditions at or in the vicinity of the Facility, any past or present Release or the threat of a Release of any Hazardous Substance on, at or from the Facility or any property adjacent to or within the immediate vicinity of the Facility. If the Company receives or becomes aware of any such notification that is not in writing or otherwise capable of being copied, the Company shall promptly advise the Agency of such verbal, telephonic or electronic notification and confirm such notice in writing. If required by any Order of a State or Federal Agency, the Company shall undertake and complete all investigations, studies, sampling and testing and all removal or remedial actions necessary to contain, remove and clean up all Hazardous Substances that are or may become present at the Facility and are required to be removed and/or remediated in accordance with all applicable Environmental Laws and all Environmental Permits. The Company shall allow the Agency, its officers, members, employees, agents, representatives, contractors and subcontractors reasonable access to the

Facility during regular business hours of the Company for the purposes of ascertaining the environmental conditions at, on or in the vicinity of the Facility, including, but not limited to, subsurface conditions. If at any time the Agency obtains any notice or information that the Company or the Facility or the construction, equipping, use or operation of the Facility may be in violation of an Environmental Law or in non-compliance with any Environmental Permit or standard, the Agency may require that a full or supplemental environmental inspection and audit report with respect to the Facility of a scope and level of detail reasonably satisfactory to the Agency be prepared by a professional environmental engineer or other qualified environmental scientist reasonably acceptable to the Agency, at the Company's sole cost and expense. Said audit may, but is not required to or limited to, include a physical inspection of the Facility, a records search, a visual inspection of any property adjacent to or within the immediate vicinity of the Facility, personnel interviews, review of all Environmental Permits and the conduct of a scientific testing. If necessary to determine whether a violation of an Environmental Law exists, such inspection shall also include subsurface testing for the presence of Hazardous Substances in the soil, subsoil, bedrock, surface water and/or groundwater. If said audit report indicates the presence of any Hazardous Substance or a Release or Disposal (as such terms are defined in the Environmental Compliance and Indemnification Agreement) or the threat of a Release or Disposal of any Hazardous Substance on, at or from the Facility, the Company shall promptly undertake and diligently pursue to completion all necessary, appropriate investigative, containment, removal, cleanup and other remedial actions required by any Environmental Law, using methods reasonably recommended by the professional engineer or other environmental scientist who prepared said audit report and acceptable to the appropriate federal, state and local agencies or authorities. For purposes of this Section, "Hazardous Materials" includes, without limitation, any flammable explosives, radioactive materials, hazardous materials, hazardous wastes, hazardous or toxic substances, or related materials defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (42 U.S.C. Sections 9601, *et seq.*), the Superfund Amendments and Reauthorization Act of 1986 (Pub.L. No. 99-499, 100 stat. 1613 (1986)), the Hazardous Materials Transportation Act, as amended (49 U.S.C. Sections 1801, *et seq.*), and in the regulations adopted and publications promulgated pursuant thereto, or any other federal, state or local environmental law, ordinance, rule, or regulation. The provisions of this Section shall be in addition to any and all other obligations and liabilities the Company may have to the Agency at common law or otherwise, and shall survive the transactions contemplated herein.

(c) The Company hereby covenants and agrees, at its sole cost and expense, to indemnify, protect, defend, save and hold harmless the Agency, its officers, directors, members, employees, agents and representatives acting in their official capacity, from and against any and all damages, losses, liabilities, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, actions, proceedings, costs, disbursements or reasonable expenses (including, without limitation, reasonable attorneys' and experts' fees, expenses and disbursements, and reasonable attorneys' fees incurred to enforce the terms, conditions and provisions of this agreement) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against the Agency, its officers, members, employees, agents (except the Company), representatives, contractors and subcontractors relating to, resulting from or arising out of (i) the environmental conditions at or on the Facility, (ii) the acquisition, construction, equipping, operation or use of the Facility in violation of any applicable Environmental Law for the storage, treatment, generation, transportation, processing, handling, management, production or disposal of any Hazardous Substance or as a landfill or other waste disposal site, or for military, manufacturing or industrial purposes or for the commercial storage of petroleum or petroleum based products, (iii) the presence of any Hazardous Substance or a Release or Disposal or the threat of a Release or

Disposal of any Hazardous Substance or waste on, at or from the Facility, (iv) the failure to promptly undertake and diligently pursue to completion all necessary, appropriate and legally authorized investigative, containment, removal, clean up and other remedial actions with respect to a Release or the threat of a Release of any Hazardous Substance on, at or from the Facility, required by any Environmental Law, (v) human exposure to any Hazardous Substance, noises, vibrations or nuisances of whatever kind to the extent the same arise from the condition of the Facility or the acquisition, construction, equipping, ownership, use, sale, operation, conveyance or operation thereof in violation of any Environmental Law, (vi) a violation of any applicable Environmental Law, (vii) non-compliance with any Environmental Permit or (viii) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by the Company in the Environmental Compliance and Indemnification Agreement (collectively, the "Indemnified Matters"). The Agency in its sole discretion may elect to defend itself in connection with Indemnified Matters, the cost of which (including, without limitation, reasonable attorney fees) shall be paid by the Company.

(d) Notwithstanding the provisions of subsections (a), (b) and (c) hereof, the Company may in good faith contest the validity or the applicability of any requirement of the nature referred to in such subsections (a) and (b) by appropriate legal proceedings conducted in good faith and with due diligence. In such event, the Company may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by failure to comply with such requirement or requirements, the Facility or any part thereof may be subject to loss, penalty or forfeiture, in which event the Company shall promptly take such action with respect thereto or provide such security as shall be satisfactory to the Agency. If at any time the then existing use or occupancy of the Facility shall, pursuant to any zoning or other law, ordinance or regulation, be permitted only so long as such use or occupancy shall continue, the Company shall use its best efforts to not cause or permit such use or occupancy to be discontinued without the prior written consent of the Agency.

(e) Notwithstanding the provisions of this Section 5.8, if, because of a breach or violation of the provisions of subsections (a), (b) or (c) hereof (without giving effect to subsection (d) hereof), the Agency or any of its members, directors, officers, agents, or employees, shall be threatened with a fine, liability, expense or imprisonment, then, upon notice from the Agency, the Company shall immediately provide legal protection and/or pay amounts reasonably necessary in the opinion of the Agency and its members, directors, officers, agents and employees deem sufficient, to the extent permitted by applicable law, to remove the threat of such fine, liability, expense or imprisonment.

(f) Notwithstanding any provisions of this Section, the Agency retains the right to defend itself in any action or actions which are based upon or in any way related to such Hazardous Materials and Hazardous Substances. In any such defense of itself, the Agency shall select its own counsel, and any and all costs of such defense, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses, shall be paid by the Company.

Section 5.9 Discharge of Liens and Encumbrances.

(a) The Company, throughout the Lease Term, shall not permit or create or suffer to be permitted or created any Lien, except for Permitted Encumbrances, upon the Facility or any part thereof by reason of any labor, services or materials rendered or supplied or claimed to be rendered or supplied with respect to the Facility or any part thereof.

(b) Notwithstanding the provisions of subsection (a) hereof, the Company may in good faith contest any such Lien. In such event, the Company may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom, unless the Agency shall notify the Company that by nonpayment of any such item or items, the Facility or any part thereof may be subject to loss or forfeiture, in which event the Company shall promptly secure payment of all such unpaid items by filing a bond, in form and substance reasonably satisfactory to the Agency, thereby causing such Lien to be removed or by taking such other actions as may be reasonably satisfactory to the Agency to protect their respective interests. Mechanics' Liens shall be discharged or bonded within thirty (30) days of the filing or perfection thereof, unless contested in which case shall be bonded within thirty (30) days of the filing or perfection thereof.

Section 5.10 Depreciation Deductions and Investment Tax Credit.

The parties agree that, as between them, the Company shall be entitled to all depreciation deductions with respect to any depreciable property comprising a part of the Facility and to any investment, environmental, or tax credit with respect to any part of the Facility.

Section 5.11 Intentionally Omitted.

Section 5.12 Limitation of Liability of the Agency.

The liability of the Agency to the Company under this Leaseback Agreement shall be enforceable only out of the Agency's interest under this Leaseback Agreement, and there shall be no other recourse against the Agency, its officers, members, agents and employees, past, present or future, or any of the property now or hereafter owned by it or them.

Section 5.13 Prevailing Wage.

The Company acknowledges that the financial assistance provided by the Agency is considered to be public funds under Section 224-a of the New York State Labor Law ("Prevailing Wage Requirements"). The Agency has determined that the value of financial assistance amounts to approximately \$1,120,396.00 in the aggregate. If the Company determines that the Project is a "covered project" as said term is defined in the Prevailing Wage Requirements, the Company acknowledges it is obligated under Subdivision 8(a) of the Prevailing Wage Requirements to certify under penalty of perjury within five (5) days of commencement of the Construction Period whether the Project is subject to the provisions of the Prevailing Wage Requirements. Compliance with Prevailing Wage Requirements, if required, is wholly the obligation of the Company, and failure to comply may result in a stop-work order.

ARTICLE VI

RELEASE OF CERTAIN LAND; ASSIGNMENTS AND SUBLEASING; PLEDGE OF INTERESTS

Section 6.1 Restriction on Sale of Facility; Release of Certain Land.

(a) Except as otherwise specifically provided in this Article VI and in Article VII hereof, the Agency shall not sell, convey, transfer, encumber or otherwise dispose of the Facility or any part thereof or any of its rights under this Leaseback Agreement, without the prior written consent of the Company.

(b) The Agency and the Company from time to time may release from the provisions of this Leaseback Agreement and the leasehold estate created hereby any part of, or interest in, the Land which is not necessary, desirable or useful for the Facility. In such event, the Agency, at the Company's sole cost and expense, shall execute and deliver, any and all instruments necessary or appropriate to so release such part of, or interest in, the Land and convey such title thereto or interest therein to the Company or such other Person as the Company may designate.

(c) No conveyance of any part of, or interest in the Land affected under the provisions of this Section 6.1 shall entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.2 Removal of Equipment.

(a) The Agency shall not be under any obligation to remove, repair or replace any inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary item of Equipment. In any instance where the Company determines that any item of Equipment (except for the fixtures) has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company with the prior written consent of the Agency (which consent may not be unreasonably withheld but may be subject to such conditions as the Agency may deem appropriate), may remove such items from the Facility and may sell, trade-in, exchange or otherwise dispose of the same, as a whole or in part, provided that such removal will not materially impair the operation of the Facility for the purpose for which it is intended or change the nature of the Facility so that it does not constitute a "project" under the Act.

(b) The Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Equipment. The Company shall pay any reasonable costs (including reasonable counsel fees) incurred in transferring title to any item of Equipment removed pursuant to this Section 6.2.

(c) The removal of any item of Equipment pursuant to this Section shall not entitle the Company to any abatement or diminution of the rents payable by it under this Leaseback Agreement.

Section 6.3 Assignment and Subleasing.

(a) This Leaseback Agreement may not be assigned, in whole or in part, and the Facility may not be subleased, in whole or in part, without the prior written consent of the Agency. Notwithstanding the foregoing, no consent from the Agency shall be required if an assignment of this Agreement is made by the Company to the Company's parent, or any direct or indirect subsidiary or affiliate of the Company. A transfer in excess of 50% of the equity voting interests of the Company to a non-affiliate shall be deemed an assignment and require the prior written consent of the Agency, with such consent not to be unreasonably withheld, conditioned, or delayed. Any assignment or sublease, other than a permitted assignment or sublease, shall be on the following conditions, as of the time of such assignment or sublease:

(i) no assignment or sublease shall relieve the Company from primary liability for any of its obligations hereunder;

(ii) the assignee or sublessee shall assume the obligations of the Company hereunder to the extent of the interest assigned or subleased;

(iii) the Company shall furnish to the Agency not less than 60 days prior to the date of such assignment or sublease a written request to consent to the assignment or sublease, together with such information as may be requested by the Agency;

(iv) the Company shall furnish or cause to be furnished to the Agency a true, complete and fully executed copy of such assignment or sublease and the instrument of assumption, containing such provisions as may be required by the Agency and in a form that has been approved by Transaction Counsel;

(v) there shall not exist any Events of Default under the Leaseback Agreement or any of the Transaction Documents on the date of assignment or sublease;

(vi) neither the validity nor the enforceability of the Leaseback Agreement shall be adversely affected thereby; and

(vii) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) If the Agency shall so request, as of the purported effective date of any assignment or sublease pursuant to subsection (a) of this Section 6.3, the Company at its cost shall furnish the Agency, with an opinion, in form and substance satisfactory to the Agency, (i) of Transaction Counsel as to item (v) above, and (ii) of Independent Counsel as to item (iv) above.

(c) Notwithstanding anything to the contrary contained in this Section 6.3, the Agency consents to a transfer of all or substantially all of the interest of the Company to GoodFinch Management, LLC upon completion of construction of the Project. The Company shall provide the Agency with written notice within ten (10) business days of completion of the change of control transaction.

Section 6.4 Pledge of Agency's Interests to Bank.

(a) The Agency may be requested to mortgage, pledge and assign its rights to and interest in this Leaseback Agreement and in all amounts payable by the Company pursuant to Section 2.3 hereof and all other provisions of this Leaseback Agreement (other than Unassigned Rights), to a lending institution. The Agency shall not unreasonably withhold its consent to any mortgage, pledge and assignment, whether or not the Agency is required to be a party thereto. Notwithstanding the foregoing, all indemnities herein contained shall subsequent to such pledge and assignment continue to run to the Agency for its benefit.

(b) Except for the Agency's Unassigned Rights, any of the Agency's security interests in this Agreement or the Lease Agreement shall be subordinate to the security interests of any lenders or financing parties that perfect their interests through the recording of any future mortgage(s) or the filing of any UCC financing statements, granted by the Company

in favor of such lender or financing party (each, a "Financing Party") against the whole or any part of the Facility, and all further mortgages, financing statements, modifications, extensions or renewals thereof and, further, subordinate to all advances secured thereunder, together with interest thereon hereafter placed on the Facility or encumbering any assets of the Company with the consent of the Financing Party. The foregoing subordination to the interests of a Financing Party is automatic, without the execution of any further subordination agreement by the Company or the Agency. Nonetheless, if a Financing Party requires a further written subordination agreement, the Company and the Agency hereby agree to execute, acknowledge and deliver the same.

Section 6.5 Merger of Agency.

(a) Nothing contained in this Leaseback Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or transfer of title to the entire Facility to any other public benefit corporation or political subdivision which has the legal authority to own and lease the Facility, provided that upon any such consolidation, merger or transfer, the due and punctual performance and observance of all the agreements and conditions of this Leaseback Agreement to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Facility shall be transferred.

(b) Within thirty (30) days after the consummation of any such consolidation, merger or transfer of title, the Agency shall give notice thereof in reasonable detail to the Company and shall furnish to the Company upon request a favorable opinion of Independent Counsel as to compliance with the provisions of Section 6.6(a) hereof. The Agency promptly shall furnish such additional information with respect to any such transaction as the Company may reasonably request.

ARTICLE VII

EVENTS OF DEFAULTS AND REMEDIES

Section 7.1 Events of Default Defined.

Agreement: (a) The following shall be "Events of Default" under this Leaseback

(i) the failure by the Company to pay or cause to be paid on the date due, the amount specified to be paid pursuant to Section 2.6(a),(b) and (c) hereof and upon failure to cure such default within five (5) business days of receipt of notice as herein provided;
